Anglophone School District South is excited to be releasing a new service to parents. Our Transportation Department has transitioned to new software and as a result, parents now have online access to their children's busing information. The online service also allows the public to subscribe to specific notification directly associated to their chosen bus (route) or school.

To access the new service use the following link and then choose **PARENT PORTAL**

https://bp.nbed.nb.ca/asds/

After choosing the Parent Portal, you will be provided a login screen, first time users will need to subscribe.
