## Bussing

Thank you to all parents for

appreciating the District 8 bus policy. This policy ensures that all children have 1 designated bus stop in the morning and one for after school. This will assist bus drivers and school personnel in ensuring that all children are delivered to the proper location safely.

\*Any child who requires an alternate site designated (other than home on a regular basis) must complete the alternate transportation form. You may get this in the office or request one from your child's teacher. We realize on occasion that Parents/Guardians may have an emergency situation where a student may not be able to go to their regular stop. If this does occur we are able to do a onetime emergency bus form, however, this will not be used for students to make alternate bussing arrangements for after school play dates. If you have a particular situation which you would like to discuss, please feel free to call Ms. Matthews.

Thank you for your co-operation.
