Fall Fair

The staff of Brown's Flat School would like to thank everyone for supporting our Fall Fair on Saturday, November 2nd. The Fair was a great success and would not have been possible without the help and dedication of our parents, students and community.

Multi-Media Sites

We are asking parents who are taking photographs of their child during school events to refrain from posting pictures on multi-media sites unless it is your own child.

Please be mindful and considerate of parents who ask that their children not be photographed. Thank you for your co-operation.

Emergency Evacuation Procedure Information

911

Anglophone South District as well as Brown's Flat School has a primary responsibility to ensure the safety of students and staff inside school buildings and while on school property. As a

result, all schools in the district have developed and continue to practice Emergency Procedures which include regular fire drills and external and internal lockdown procedures.

In the event that a school must be evacuated, the children will be taken to the Community Center or the United Church depending on the situation and remain there until the situation has been assessed. If we are unable to return to the school we will contact all parents. Buses will operate from these locations.

A school lockdown is initiated should a high risk incident involving weapons, hazardous chemical spill, severe weather warning, student/other intruder, etc. occur in the schools or on school property, or if there are circumstances in the vicinity of the school that could endanger the safety of students and staff.

In order for all students and staff to become familiar with the expectations during a lockdown, our school will continue to practice emergency lockdown procedures on a regular basis, as we do with fire drills. During these drills there will be signs posted on the entrance doors indicating that the school is in lockdown. The doors will be locked and no one will be permitted to enter or leave the school during these exercises. This is the same procedure that will be followed in a real situation.

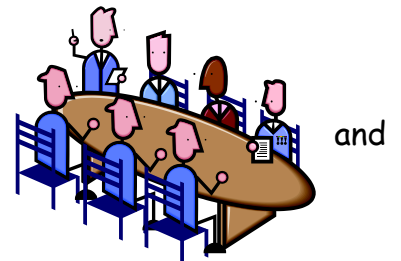

Teachers will talk to their students and practice before we do a school wide exercise. These lockdown procedures only take a few minutes to practice.

Thank you for your understanding in this matter. If you have any questions or concerns, please feel free to contact the school.

PSSC / Home & School

The PSSC will meet Tuesday, November 12th from 6:30—7:15 Home & School from 7:15—8:00. Everyone is welcome and we look forward to seeing you.
