We would not have been able to reach this point without help from our community partners, The Greenwich Recreation, The Greenwich Fire Department, The River Road Co-Op, and The Home and School Association. The children recently hosted an assembly in their honor to recognize these efforts and thank these individuals. Each group was presented with a huge thank you card signed by all of the children.

The Co-Op additionally presented the school with a \$500 gift card towards our school breakfast program and an additional amount will be forthcoming in January.
