Acceptance of Minutes from September – no minutes this month.

Principals Report

Tina reviewed the principal report (attached) with the exception of the Bee Me Kidz section. Missy spoke about the Saturday program. Missy discussed the possibility of expanding into grade 3 and perhaps the preschool group. Missy said that 10-15 parents stay for the parenting session. They allow the parents to direct the parent session. Once they attend 3 weeks (not necessarily consecutive) they get \$20 Food Purchasing Club. Missy shared that there are many fathers who attend

Shannon and Missy discussed using Facebook for promotion purchases.

Crystal will attempt to attend the session on Saturday.

Tina shared how the school is helping to embed the concepts of Bee Me Kidz and the PATHS curriculum in the school setting. This will continue until the end of the school year.

Tina emailed Caitlin and the staff to ensure all parents received the permission forms.

Budget: approval of spending plan

Crystal suggested we brainstorm any ideas-will discuss this next month. In the event a contract renewal is received Tina will email the group for a decision.

Lisa suggested we make a hard copy for any family who may require.

It was suggested to add a line on home link for new contact information. Tina will ask staff to include a permanent message on the home link
