

This Week in Grade 3 M

Nov. 13 - 16, 2012

Take a look at our new and improved classroom website: <http://mrs.mcelman.ca>

Literacy

- Students have really been enjoying our latest Daily 5 activity, Word Work. Each student has their own list of words that they are working on, which have been selected from a pretest, and their own writing samples.
- In writing, we will begin taking a closer look at narrative writing. We will be talking about developing a stronger plot line, interesting characters and exciting details.
- Remember – students need to be reading at least 15 minutes every night at home. This is crucial for their continued success throughout Grade 3.

Important Info!!!

- Don't forget about our Parent Math Coffee House happening on Wednesday evening from 6 – 7. Drop in and learn a little more about the strategies we are using to teach math. Hope to see you there!!
- Please be sure that your child comes dressed warmly each day, especially now that the weather is getting colder.

Math

- This week we will begin investigating the differences between line plots and bar graphs. We will also practice creating bar graphs to display data we gather.
- On Wednesday, we will begin our District Math Benchmark. This assessment will allow us to take a look at where we are at, and how well students have grasped the new concepts we have been covering.

A+

Monday	Tuesday	Wednesday	Thursday	Friday	Hot Lunch and Milk forms due every Friday
12 No School	13	14 Math Coffee House	15	16	
19	20	21	22	23
