

This Week in Grade 3 M

November 5 - 9, 2012

Take a look at our new and improved classroom website: <http://mrs.mcelman.ca>

Literacy

- This week we will continue our launch of Word Work and will be practicing each of the activities. Each student has a list of words appropriate for them to work on during this time, as well as to focus on when writing.
- We are studying the poem 'In Flanders Fields' in preparation for our Remembrance Day assembly on Friday. We are also learning more about John McCrae, who wrote the poem in 1915, during the First World War.
- Remember – students need to be reading at least 15 minutes every night at home. This is crucial for their continued success throughout Grade 3.

Important Info!!!

- If the weather is wet, please be sure to send a **rain coat and rubber boots**, this is especially important if your son or daughter goes to Chicken Noodle Club, as they are outdoor regardless how windy and wet it is. Thanks.
- Remembrance Day assembly – Friday at 11am.
- No school on Monday, November 12.

Math

- We will continue looking at using charts and graphs to answer word problems, and will be learning about line plots.
- We have started looking at strategies for attacking timed addition and subtraction quizzes. Please spend a few minutes each night working on these basic adding and subtracting questions for numbers with answers to 20. Being able to answer the questions quickly and correctly has a HUGE impact on answering our more difficult questions.

A+

Monday	Tuesday	Wednesday	Thursday	Friday	Hot Lunch and Milk forms due every Friday
