## School Fees

Centennial has a \$15 school fee to help cover some of the costs for enrichment supplies, extracurricular activities and co-curricular trips as well as special events and opportunities that all students will get to enjoy throughout the year. Our preferred form of payment is online through our school cash system however payments can also be sent into your child's homeroom teacher.

## School Cash Online

Families can register for School Cash online. Once you are signed up you can pay for fees and other things throughout the year such as the monthly hot lunch program. The link for registration is: <https://asd-s.schoolcashionline.com/> and can also be found on the right-hand side of our school's website.

They will engage in creative projects together and learn from each other in the process!
