

Kindergarten Fundy Shores School

School Supply List 2022-2023

It is recommended that you browse and purchase your child's school supplies in early August (first week) as colours and selection becomes depleted very quickly. Please note that the thick pencils and thick crayons are intentionally included to promote fine motor development. With tiny hands and developing muscles, it is recommended for use at the primary level.

There are some items that I am requesting that you do not label at home. Please note those that I am asking you to label and those that I'm asking not to label. I will code your child's items in a different way for some of these items, so that I know who they belong to.

LABELLED ITEMS ONLY

Duotangs (Label with your **child's name**):

2 yellow

2 green

2 blue

2 red

3 – GREEN Hilroy Exercise Books: 72 pg, ½ plain, ½ ruled, 23.1 x 18cm (**name only**)
