Grand Bay Primary and Inglewood School are committed to the development and preparation of children to succeed in future endeavours by providing an environment in which social, emotional and academic skills are developed in accordance with individual students' needs and abilities.

January 17, 2014

Dear Parents/Guardians,

As you are aware we are in flu season. I would like to remind parents and guardians that should your child be experiencing flu like symptoms please keep them at home. Your frequent reminder to your children about proper hand washing and sneezing into their arm is greatly appreciated. We have added a link to the Saint John Education Center Website on Communicable Diseases. You may access this information under the Link Bar on the top of our website.

Thank you for your continued support. If you have any questions please do not hesitate to contact me.

Sincerely,

M. Elizabeth Lewis,
Principal
