

THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Viking families! This is the final week of first semester regular classes prior to next week's Demonstration of Learning Week. These next five days will see students exploring remaining uncovered outcomes, reviewing past material, and preparing pieces of projects before next week's opportunity to show their knowledge through exams, papers, and presentations. The final schedule for the demonstration/exam week is attached to this newsletter, as well as a helpful study tip document that might come in handy for students, as well as families looking to support their learners.

Please find attached to this newsletter information pertaining to future French language enrichment opportunities available to our students.
