

## THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Viking families! This week we kicked off our Relay for Life campaign and the building is buzzing with excitement to reconnect with our storied tradition of coming together as a school community in support of this important initiative. The kickoff assembly and launch party were both a huge success and students are already registering in big numbers. We also had a chance to display the banner we were gifted by the Relay organization commemorating that Harbour View has supported the effort for 15 years! Details of some of our fundraising events can be found in the flyer attached to this newsletter, and the QR code to register is below. Support us in any way you can!

This week our administration and guidance teams have started class presentations pertaining to next year's course selections. Please be sure to ask your student(s) about this over the coming weeks and encourage them to make informed course choices that align with their goals.

Please be sure to get your 2024 yearbook ordered at the link below.
