

THIS WEEK AT HARBOUR VIEW HIGH SCHOOL

Hello Vikings! Week one is behind us, and we are all extremely excited about the energy and enthusiasm that has come with the return of our students. Orientation, pep rallies, and games assemblies gave everyone a chance to show their pride and experience the incredible energy that Harbour View High School has to offer.

Effective this Monday the Public Portal will be available for students and their guardians to keep up to date on grades and daily attendance. On Tuesday we will be distributing password information to grade 9 students through their Homerooms, so please keep an eye out for that landing in your homes. If the information does not make it, you can connect with the school to get what you need. Students in grades 10-12 will have immediate access and should there be any issues with accessing the Public Portal, guardians of those grade levels can reach out to the school as well. Included in this newsletter are links to general information about the portal as well as the mobile option.

September 12th – September 18th
