# SCENES...

Photos contributed by Mike Goddard

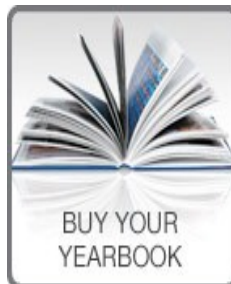

Clockwise from top: Emily Harding and Alex O'Keefe in a scene from *Shout!*; Nick Williams as Charlie Brown; Louise Sennett and Hannah Wallace in the scene "Money"; Libby Boudreau delivers a monologue; Sarah Alston sings a song from *Spring Awakening*; Kylie Fox, Seth Johnson, Zoe Bell-Smith and Libby Boudreau are "The Buzzy Bees" from the one-act play, *Shout!*.

Money raised at the student performance of SCENES - close to \$1000 - went towards HVHS's school-based food bank and to help students in the HVHS community.

As always, SCENES is a high point of the academic year, showcasing the incredible talents of dozens of singers, dancers, and student directors from Theatre 120 and the student population at large.

## Interested in a guitar solo?

Harbour View High’s new Guitar Club takes place every Tuesday at lunch in Mme. Ahearn’s room. This club offers the opportunity for students who enjoy playing guitar to come together in a relaxed atmosphere at school and share songs that they know. It is also a chance for students who are interested in the guitar to learn some basic chords and tabs while being inspired by more advanced musicians. When asked to describe the club, Wilson Galbraith stated that “it’s a magical experience”. Matthew Cochrane chipped in by saying “it’s a strumming good time”. What else is there to say? Bring your guitar on Tuesdays and join in with your fellow music-loving students. New members welcome.

## From your alumni

Submitted by Louise Jonah-Craine, Liaison

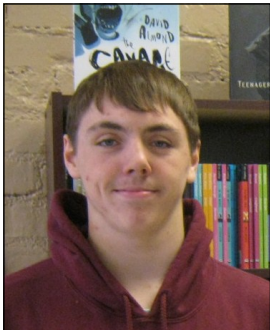

I wish to bring greetings to the Staff and Student body of HVHS from Saint John Vocational School/Harbour View High School Alumni Association. (SJVS/HVHS) We hope you had a wonderful and joyful Christmas Season and that each one will be blessed with good health and happiness in 2012.

The object of the Alumni is to promote, maintain and preserve the heritage of the school and contribute to the ongoing success and well being of the school and its student body. Thanks to the generosity of former students, graduates and other supporters we were able once again to award two scholarships of \$2,000 each to Harbour View High students at the June 2011 Graduation Ceremonies. The award for Academic Achievement was won by Colleen Griffin, who has enrolled in UNBSJ and the award for School Spirit was won by Fiona Milne, who will be attending UNB in Fredericton. In addition, we provided \$1,500 toward the sponsorship of students in the Encounters with Canada program. We would also like to congratulate Liz Calvin and Greg Morris who were awarded second and third place in the young writers’ contest sponsored by the Northrup Frye Festival along with Great West Life, winning \$300 and \$100 respectively. Congratulations also go to the cast and crew of *Godspell* who brought home several awards from the 2011 Dramafest held in Fredericton. We look forward to the production of your spring musical, *Phantom of the Opera* and hope that many of us will be able to attend.

Again, Happy New Year to all and all the best to each of you in your endeavours this year.

A clothing drive organized by Room 314 was a huge success!

Over 2231 lbs (1057 kg) of clothing (that's over 200 bags) was collected.

35 homerooms participated, as well as many staff members

For our efforts we earned \$200 from NBACL to donate. The money was donated to Harbour Lights and presented by Louise Sennet, Mikaila Cosman and Kaila Miller. Mr. Wallace's home room was the winner of the breakfast. They collected 427 pounds of clothing.

## Building bikes for kids

Photo and story submitted by Mr. Fisher

Harbour View continues to look outside the walls of the school to be a part of the greater Saint John community and make a difference in the lives of those in need. Several students spent countless hours at lunch and after school rebuilding used bicycles to be given to Romero House, hoping that this Christmas a few children will awake to an almost new bike; one of the more popular Christmas wish gifts for many children. Students were able to rebuild eight children's bikes. Five of the eight bikes were destined for the landfill while three others were purchased with the project in mind.

HVHS would like to extend their gratitude and appreciation to Bev Proctor of Canadian Tire West who graciously donated several parts for the bikes. Students involved were Allyson Richard, Julia Hill, Justin Crossman, Dillon Beechin, Walter Alexander, Justus Adams, Danielle Hachey and student council member, Cody Cooper.

## MacGregor finishes third in fencing tournament

Photo submitted by Mrs. MacGregor

Scott MacGregor has been fencing for three years.

“It was a summer sport and I thought I would give it a try and I stuck with it,” he said.

Scott was part of a nine-member New Brunswick youth fencing team that took part in the Quebec Youth Circuit competition in Longueuil on the weekend of Dec. 10. Scott, a grade nine student and son of our very own Mrs. MacGregor, reached the podium by capturing bronze in under 15 men's epee (sword in French). While this was Scott's first tournament win in Quebec, he's no stranger to the podium. He has also won several medals in NB tournaments including gold at an under 13 event at Provincials.

“I train twice a week at Fundy Fencing,” said Scott. “It's an individual sport and I like that. It's a combination of physical fitness and strategy.”

Scott is already planning to compete in the 2013 Canada Games which will be held in Sherbrook, Quebec. How will he prepare?

“The best thing to do is to keep a calm head,” he said.
