

# HARBOUR VIEWS

Issue 1

September 2016

“Don’t wait for something big to occur. Start where you are, with what you have, and that will always lead you into something greater.”

-Mary Manin Morrissey

## Welcome to Harbour View High School

Submitted by Mr. M. Butler

Sixteen years ago I began teaching right here at Harbour View – and I am thrilled to be back this year as principal of this great school. Since leaving HVHS nine years ago I have had a variety of opportunities which have been wonderful, but no school feels like home to me except Harbour View.

A special welcome to our new grade nine Vikings. I hope you are excited about being part of the HVHS family – a school community that values the diversity each of you brings.

Returning to Harbour View means that I get to be part of a staff who provide tremendous learning opportunities for our students, both in classrooms and through extra-curricular activities. Even before school has begun, staff and students have been hard at work on the fields and on the stage preparing for fall sports and our upcoming musical production. The constant opportunities for all students to discover and use their talents is such an integral part of the HVHS experience.

The next ten months will present countless opportunities for each of you – chances to learn in the classroom, to participate in a huge array of activities, and to contribute to the life of a school that is always growing and improving. Take advantage of those opportunities!

Looking back over the years since I started my career here at Harbour View, it is clear to me how much this school allowed me to learn and grow. I hope your experience is the same – and that you are able to Invent Yourself Here.

## Get involved in the HVHS Parent School Support Committee

Submitted by Jane Fullerton, 2015-16 Chair, HVHS PSSC

Parents are an important part of the HVHS community. One way to get involved is through the HVHS Parent School Support Committee (PSSC). The PSSC provides opportunities for parents to be informed about and engaged in the life of HVHS. Members share their thoughts and provide feedback on behalf of the parent community in support of the growth and success of HVHS. Through monthly meetings, committee members learn of current activities and new projects at the school as well as initiatives within the educational sector that will impact the school and students. The Committee contributes to on-going processes such as the School Improvement Plan as well as school specific activities. On occasion, there are opportunities for members to represent the HVHS PSSC at District activities and other initiatives.

If you may be interested in becoming an active member of the HVHS community by participating in the PSSC, watch for information on how to join, or email [w.jane.fullerton@gmail.com](mailto:w.jane.fullerton@gmail.com).

Sept at HVHS

- 6 - First day for grade nine students
- 7 - All students attend
- 12 - Meet the Teacher, PSSC elections
- 14 - School photos

TURN to page 3 for info on dates for sporting events

STAY TUNED for some EXCITING news about Harbour View’s 20th anniversary!

## Meet your 2016-17 SRC

L-R: Brandon McCluskey (VP General), Brad Bordage (VP Spirit), Colin Brown (President), Alexandre Banks (VP Finance), Jenna Dixon (VP Grade 11), Taylor Breneol (VP Administration), Josh Merrett (VP Grade 10)

By Colin Brown, SRC President

Hey Vikings, welcome back!

I hope everyone had a great summer, but you're going to have an even better school year here at HVHS!

This year we have a bunch of great new ideas as a Student Council, but we'll still ensure that we plan our awesome annual events such as dances and theme weeks!

For all our new grade nines out there, I would like to welcome you, on behalf of the Student Council, to our school and the Viking family. Try not to worry too much about being in high school; you have four amazing years ahead of you to invent yourself as a true Viking! Get involved and have fun. These are your glory years. Make the best of them!

I hope that you're all as excited to start this year off as I am.

## Meet your 2016-17 Grad Class Executive

L-R:

Ally Hebert - Spirit

Eden Keilty - Secretary

Caleb Hunter - President

Kaley Watters - Vice President

Tyler Hooley - Treasurer

By Rachel Fullerton-Quin

Hey Vikings! Welcome back to HV! My name is Rachel Fullerton-Quin. In the past, I've written monthly articles about books column and fashion; however, this year I'm delighted to be able to be the editor of *Harbour Views*.

For those of you who don't know me, I'm someone who is always ready for a laugh and I am never afraid of meeting new people. The yearly productions of SCENES, and the musical have been, by far, my favourite part of being a Viking these past four years. I'm looking forward to adding *Harbour Views* to my list of memories.

I hope everyone made the most of the summer months. I spent most of it working, as I'm sure many of you did, but I also had some unforgettable experiences. Although far too short, my summer was fantastic and I'm beyond excited to be starting my senior year. I'm really looking forward to things like prom and grad events (woo!!)

To the grade 12's: this is your year. Try out for a sport you've always wanted to try, challenge yourself to direct your own scene, join clubs that you may have missed in the past; it's not too late. To the 10's and 11's: don't sit around waiting for senior year, high school goes by quickly; any 12<sup>th</sup> grader will tell you that. Take in every moment you can. Grade 9's: high school is wild. You'll make friends you wouldn't trade for the world, and learn new things about yourself continuously. Become whoever you want here.

Vikings, this year is bound to be awesome: don't miss a thing!

## Come out and support your VIKINGS

### Baseball

Tues Sept 6	RHS @ HV, 8:00	Memorial
Thurs Sept 8	HV @ SJHS, 8:00	Memorial
Sat Sept 10	StM @ HV, 1:00	Memorial

# Harbour View's fall musical takes us under the sea

TAYLOR BRENEOL as  
URSULA

"In a way, Ursula isn't a villain, she's just misunderstood which has lead her to do some not nice things. Ultimately, she's just trying to regain the power she so rightfully deserves."

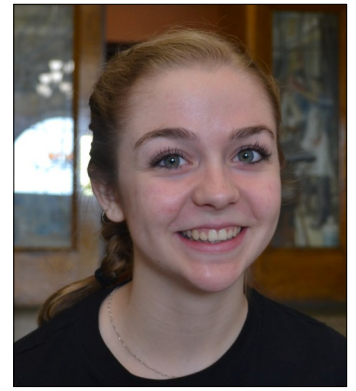

EMILY ALSTON as  
ARIEL

"Ariel embodies the rebellious teen of today. She's spunky and she doesn't give up."

BENNETT YOUNG as  
ERIC

"Eric doesn't want to be a prince. He wants to be a sailor so he's very adventurous, carefree and alive. I'm not as smooth as he is; he's got some moves."

ALLY HEBERT as  
FLOUNDER

"It feels weird that this is my last musical performance at HVHS. You always think, I hope we can try this or that next year—but then I realize I'm not coming back."

CALEB HUNTER as  
SEBASTIAN

"My character is a very strict crab who likes to play by the rules, but he does like helping people any way he can."

ANNA CHISHOLM as  
ARISTA

"My character is one of Ariel's sisters. She's really sassy and a little jealous of her sister because King Triton likes Ariel the best."

ALEX TAYLOR as  
KING TRITON

"King Triton is a loving father who just wants the best for his daughters. I like playing him because I'm in command and that's pretty cool."

IAN MCGILL as  
SCUTTLE

"The greatest thing about playing Scuttle, the bird, is that I don't have to worry about how crazy my hair looks."

## SAVE THE DATE

### *The Little Mermaid*

October 6, 7, & 8 at 7:30 pm

Saturday (Oct 8) matinee at 2:00 pm.

All seats are reserved and cost \$15.
