

HARBOUR VIEWS

Issue 1

September 2019

"Let life happen to you. Believe me: life is in the right, always."
- Rainer Maria Rilke

Welcome to a brand new year at Harbour View

Your 2019-20 SRC includes (Back L-R) MacLaren Dick (VP Finance), Gerry Bidgood (President), Abby Randell (Gr 10 Rep) (Front L-R) Casey Ogden (VP Spirit), Torin Scichilone (Gr. 11 Rep), Sarah Finkle (VP Admin), Charlotte Casey (VP General)

Welcome Vikings, to the 2019-2020 school year. I hope you all had a fun summer and are ready for a great school year.

I'm very excited to work with this year's student council. We're starting off the year strong with Maroon Mania on September 6th, and we've got plenty more activities planned for over the course of the year. If you have anything you'd like to see happening around Harbour View, please let the SRC know. Feel free to send me an email at gb.bidgood@gmail.com with any ideas you have.

A special welcome to the newest Vikings, the Class of 2023. I can't wait to see you all becoming a part of our family. These next four years are your glory years. Make the best of them!

I hope that you're all as excited to get this year started as I am.

Gerry Bidgood, SRC President

Are you a Grade Nine student looking to get involved?
Elections for the position of Grade Nine Rep will take place this month.

Welcome to Harbour View

Submitted by
Michael Butler, Principal

A special welcome to our new grade nine Vikings. I hope you are excited about being part of the HVHS family – a school community that values the diverse interests, skills, and talents each of you has to contribute.

I get to be part of a staff who provide tremendous learning opportunities for our students, both in classrooms and through extracurricular activities. Even before school has begun, staff and students have been hard at work on the fields and on the stage preparing for fall sports and our upcoming musical production. The endless opportunities for all students to discover and use their talents is such an integral part of the HVHS experience. The next ten months will present countless opportunities for each of you – chances to learn in the classroom, to participate in a huge array of activities, and to contribute to the life of a school that is always growing and improving. Take advantage of those opportunities! Looking back over the years since I started my career here at Harbour View, it is clear to me how much this school allowed me to learn and grow.

I hope your experience is the same – and that you are able to “Invent Yourself Here.”

Let’s extend a warm Viking welcome to some new faces

Mrs. K. Kennedy
Grade 9 Science/
Chem 111/112

What students can expect in my classroom?

Lab equipment and activities for active learning.

Fun fact:

I have a pet lizard named Darwin. He is a crested gecko and he’s super cute 😊

Mr. A. Lane
Math, Science

What can students expect in your classroom?

A teacher-student led learning environment

Fun Fact:

Fun-Fact: I used to teach Music

Mrs. T. Waldron
English 9 and English 113.

What students can expect in my classroom?

Lots of reading and writing because it is English class, and I really like group work because learning doesn’t happen in isolation. We are all each other’s greatest teachers.

Fun fact:

I was an extra on CBC’s Codco when I was 14. And that pretty much gives away my age...

Mr. T. Doiron
English 9, 10 & 113
Math 9

What students can expect in my classroom?

Students can expect an environment of mutual respect, be active participants in their own learning and receive feedback in a timely manner. I will do my best to always present course material in fun and interesting ways.

Fun Fact:

My wife, son and sister are all here at HVHS with me!

VIKING SPORTS

By Ethan Crowley

Hey there Vikings, my name is Ethan Crowley and I am your new *Harbour Views* sports writer. I am a Grade 11 student and this is my third year as an athlete at HVHS. Some of my favorite things to do are playing basketball, running and hanging out with friends whenever I can.

But enough about me, you guys are here to learn about all the incredible opportunities you have to play sports for this upcoming fall season. For most of our numerous fall teams tryouts started in the month of August. HVHS athletes have been working hard well before the first day to put up long lasting playoff runs in hopes to bring back banners to the school. If you would still like to be a part of a team the remaining tryout dates are as follows

Girls Soccer: September 3rd and 5th (Millidgeville North Field #2)

Football: September 2nd, 3rd, 4th and 5th (6-8pm at lower Shamrock grass)

Cross Country: dates are yet to be released, so stay tuned to the announcements for related dates.

For any of the remaining teams; (Baseball, Softball, Boys Soccer, Field Hockey) contact the respective coaches and keep listening to announcements to see if there are additional tryouts. Sports are the best way to get the full high school experience, so get out there and have some fun with your friends, meet new people, all while gaining useful skills and memories that will last a lifetime.

The countdown to graduation begins

Grad Class Exec L-R: Emma Weagle,(Secretary) Owen Chisholm (Spirit), Colin Black (President), Sophia Doucet (Treasurer), Emily Dixon (VP)

Hi senior Vikings,

The beginning of our last year is here. Many of us may be filled with great anticipation of what is yet to come. You can count on the Harbour View Grad Class Executive to make our final year of high school the best yet. The elected executive is determined to create fun opportunities. We need active participation from everyone. We are prepared to give it all we have as soon as school starts. If you haven't been involved the past three years, be sure to make an effort to this upcoming year. Harbour View is such a great school and has so much to offer. Buckle in and enjoy the ride! See you in September, graduates of 2020.

Colin Black

Grad Class President

Save the date! *Into the Woods* hits the stage at Thanksgiving

Students have been hard at work rehearsing for this year's musical, *Into the Woods*.

Pictured here left to right are Abby Jones, Cecilia Chisholm, Cara Nason and Lauren Dykeman.

The musical will run October 10-12th. More details will appear in the October issue of *Harbour Views*.

Back L-R: Dylan Johnson, Tori George (Choreographer), Abby Jones, Liam Johnson, Andrew Potter, Owen Chisholm, Cecilia Chisholm, Amy LeBlanc

Front L-R: Lauryn Seaward, Emma Weagle, Bridget Finlay, Cara Nason, Abigail Campbell, Delaney Coleman

Order your yearbooks NOW!
Only \$45 dollars, but the price goes up to \$55 in October.
Pay online at Jostens.com,
your home room teacher,
or see Mrs. Thompson
in the library.

Are you interested in writing a
monthly column for
Harbour Views?
Bring your lunch and come to
a meeting Friday, Sept. 6,
12:40, Room 307.
All are welcome.
