

Post- Secondary Virtual Opportunities Expo

The Atlantic Association of Registrars and Admissions Officers (AARAO) will be hosting a **Post-Secondary Virtual Opportunities Expo**. Due to Covid considerations, this event will replace our annual Post-Secondary in person event. This series of online sessions, information booths and live chats will provide potential graduates with an opportunity to explore a variety of post- secondary opportunities. While this event is of timely importance to grade 12 students, the exploration will be of benefit to any student considering post-secondary options.

Students must pre -register to attend any of these sessions. The **New Brunswick Night is scheduled for Thursday, November 18th 7:00-9:00 p.m.** If students are unable to attend this session, they are free to join another scheduled provincial evening (prior to November 18th) that will accommodate their schedule. For further details and to register visit: AARAO.CA/FAIRS

The poster features a teal background with a pair of sunglasses and a laptop keyboard at the top. The text is arranged in a clear, organized manner, with key dates and times highlighted in yellow and pink circles. The AARAO logo is at the bottom left, and the registration information is at the bottom right.
