

HARBOUR VIEW COVID GUIDELINES

Objectives:

After today's session, we will be able to:

- Describe the origin and transmission of COVID-19
- Discuss physical distancing
 - Identify specific locations to note within the building
- Where to go when arriving at school and at lunch
- Cleaning and Sanitizing

- **Coronaviruses - large family of viruses**

Examples include: common cold, Severe Acute Respiratory Syndrome (SARS) and Middle East Respiratory Syndrome (MERS-CoV).

- **New disease never identified in humans until December 2019**

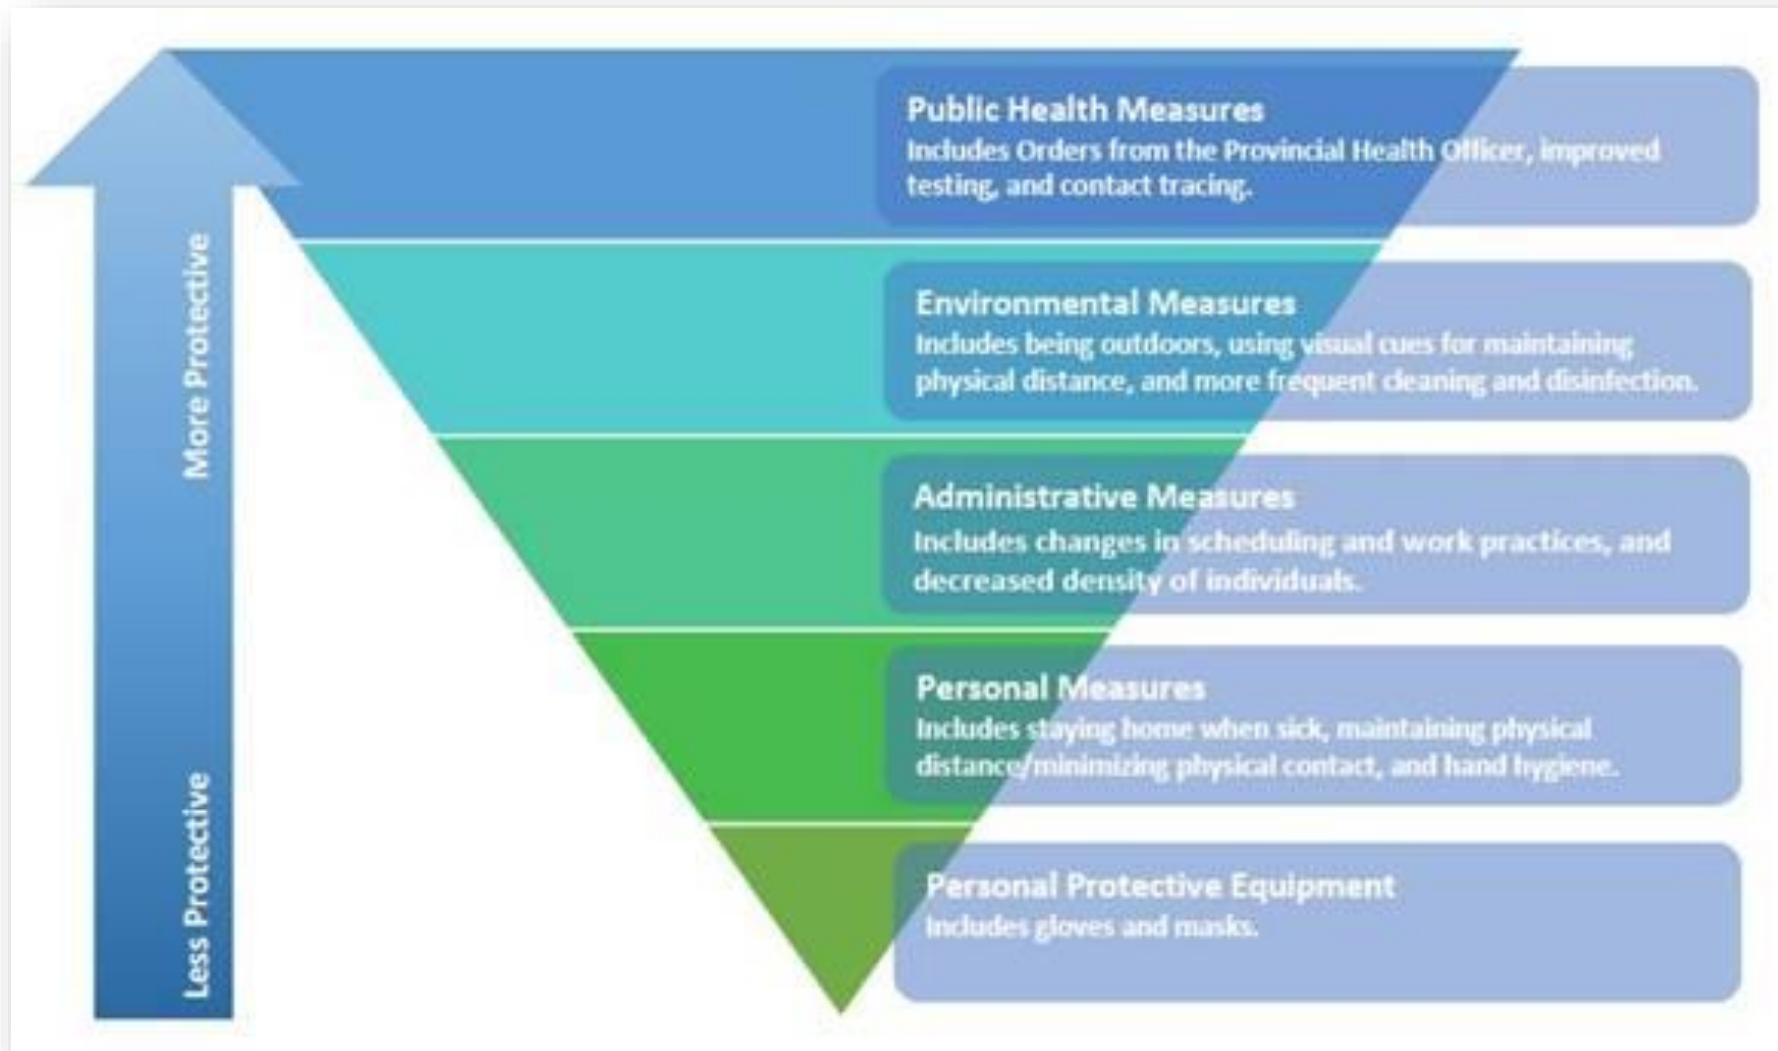

- **COVID-19**

- 'CO' corona – Latin for crown
- 'VI' virus
- 'D' disease
- '19' year

How Does COVID-19 Spread?

Reducing the Risk of Communicable Disease Outbreaks:

A little space can make a big difference!

Physical Distancing

PHYSICAL DISTANCING

IT IS IMPORTANT TO FOLLOW THESE GUIDELINES

PLEASE DO NOT MOVE ANY FURNITURE OR REMOVE ANY MARKINGS

PHYSICAL DISTANCING

- **Classrooms** – Have been designed to provide a minimum 1m distance between students. Chairs/desks which are permitted to be used are clearly identified.
- **Library** – Tables and computer stations available for use are clearly marked.
- **Guidance Area** - Furniture has been removed so that which remains allows for 2m distancing and is can be easily cleaned after use.
- **Theatre/Lecture Theatre** – Seats have been taped off to show where 2M distancing is maintained and where people are able to sit.
- **Cafeteria** – We have modified the table and chair set up in the lunchroom to allow for 2M Physical Distancing. Extra furniture has been moved. Limit of 24 people allowed in lunchroom at a time, lunchroom will be monitored.
- **Benches** – Seats have been marked by signs that say “Sit” and “Don’t Sit” .

PHYSICAL DISTANCING continued

- **Elevator** – Have been limited to 2 people with mandatory mask usage. Signage has been posted.
- **Locker Room** – limited to 6 people at a time – signage has been posted.
- **Fitness Room** – Block access to every 2nd piece of equipment to allow physical distancing. Equipment cleaned/disinfected between uses.
- **Lockers** – Lockers will be assigned to ensure no two side-by-side lockers will be used by the students of the same cohort. Lockers will be used to store valuables and should be emptied at the end of each day.
- **Washrooms** – limited number of people, signage posted at doorway. Washrooms will not be opened during 5 minute transition periods in order to avoid congestion during those times.

PHYSICAL DISTANCING continued

- **Stairway** – Directional arrows and tape are on each stairwell as reminders to always stay to the right. Masks will be worn at all times in common areas – including stairs.
- **Hallway** – Directional arrows with a line down the middle to separate people is in place in hallways.
- **Offices** - There will be “stop” lines at all offices reminding people they cannot enter unless they have permission and 2M distancing can be maintained or masks are worn.
- **Evacuation Drills** – We will stagger the locations of our Muster Points as much as possible so physical distancing can be maintained when outside of the school.

MASKS

Masks **MUST** always be worn outside of
your classroom.

Good citizenship is about looking out for others.
My mask protects you from me; and your mask protects me
from you.

A crucial skill is to know when to use it, and how to put
on/take off the mask.

Before coming to school...

Check yourself for these symptoms:

Stay home from school and call Telecare 811
