- Introduction to Psychology 120
- Leadership 120
- Marine Biology 120
- Yoga 110
- EAL Program
- Photography 120
- Young Adult Literature 120
- Writing 120

Instrumental Music

Students can choose this course instead of general music in Grade 9. Instead of learning keyboards, students can choose between trumpet, trombone, flute, and clarinet for their focus. Those students then become band members! During the course, students learn proper playing in an instrumental ensemble. Upon completion of the course, all students have the option of joining the HVHS Stage Band. A continuation of this course is offered in Grades 10, 11, and 12, according to interest. This year the senior band, consisting of close to 100 students, will be traveling to Toronto to compete. Good luck, Vikings!

ENRICHMENT ACTIVITIES

- Pascal (9), Cayley (10), Fermat (11), and Euclid (12) Math Contests
- Northrup Frye Festival in Moncton (Essay Writing Contest)
- School-based oratory contest
- Drama Fest
- Jewish Holocaust Study Group
- Turning Points Writing Enrichment
- Envirothon Competition
- Song Writing Workshop and CD Studio Recording
- Student Mentorship Program – EAL Students
- Entrepreneurship Market Day
- Oratory and Spoken Word Poetry
- Poetry in Voice Recitation Contests

Viking Pride

AWARDS AND ACKNOWLEDGMENTS

Prestigious Scholarships and Awards won by our 2019 Graduates:

St. Francis Xavier Schwartz National Scholar totaling \$80 000

These scholarships are awarded to students who have demonstrated academic excellence, leadership qualities and service to others.

Dalhousie Chancellor's and Fountain Scholarships totaling \$72 000

These scholarships are limited to exceptional candidates who are accepted into the Dalhousie Fountain School of Performing Arts directly out of high school. The student recommended for this program and scholarships had an impressive application and a very strong performance in their audition.

Foley-Woodroffe Scholarship totaling \$47 380

This award is given to a grade 12 student entering undergraduate studies at UNB and is based on academic achievement and extra-curricular involvement.

Betts/Wilbur Memorial Scholarship totaling \$44 000

This award is given to a student in a NB school who has demonstrated great scholastic achievement entering a Bachelor of Science, Computer Science or Science in Engineering.

Two Harbour View students were awarded the UNB Arthur & Sandra Irving Primrose Scholarship totaling \$40 000 each

Primrose scholars are recognized for their academic achievement, community involvement and athletic leadership.

UNB JDI NB Scholarship totaling \$32 000

Selection is made based on academic achievement, self-motivation, contribution to community, and extra-curricular activities.

St. Francis Xavier Schwartz Business Order of Merit Entrance Scholarship totaling \$30 000

These scholarships are awarded to students who have a minimum entrance average of 90% and demonstrate the St. FX qualities of leadership and service to the community.

St. Thomas University awarded two HVHS students with their prestigious entrance scholarships: The Francis M. McLaughlin Scholarship totaling \$29 000 and the University President's Scholarship totaling \$27 000

These awards are given to students with high academic standing who shows leadership ability and is involved in the school and community.

Harbour View High School had three students graduate as AP Scholars.

Harbour View High School

Harbour View High School is a professional learning community dedicated to academic excellence.

Our mission is to ensure that our students develop the skills necessary for success in the 21st century.

We will ensure a work environment that supports collegiality, improvement and professional growth.

Invent yourself here

“Towards Tomorrow”

Harbour View High School is a community built by our staff and students who value creativity, independence, achievement and fairness.

The staff and students who best exemplify this community are citizens. We are thoughtful and hard working. We are generous with our time and effort. We are self-made, prepared to work for the achievements and rewards life will bring.

As a group, we don't follow a path laid down by others, we forge a path. We draw strength from ourselves and our community. We confidently make our own way, embracing the challenge of an open playing field.

That's why we say: invent yourself here.

All students have a teacher advocate. Our homeroom system is composed of students from grades 9 through 12, who stay with the same homeroom teacher for their entire high school journey. We believe this develops a strong connection with the students, the school and the home.

Harbour View has an active Student Council. Members work tirelessly to organize spirit-developing activities and to support the personal development of others by sponsoring participation in local, provincial, and national conferences.

Our athletics program is comprehensive and competitive in all sports. It supports team and individual athletes in their quest for district and provincial championships. Harbour View is known throughout the province for its great sportsmanship, fierce but fair competitive spirit and athletic conquests.

Harbour View supports the Arts with a wide range of musical and theatrical opportunities. The Harbour View Choral Ensemble has participated in national choral events as well as international music festivals.

Are you a little nervous or overwhelmed? Would you like to see a familiar face in September? We allow our Grade 9s to identify a 'homeroom buddy': the option to pick a friend to be in the same homeroom for the next four years!

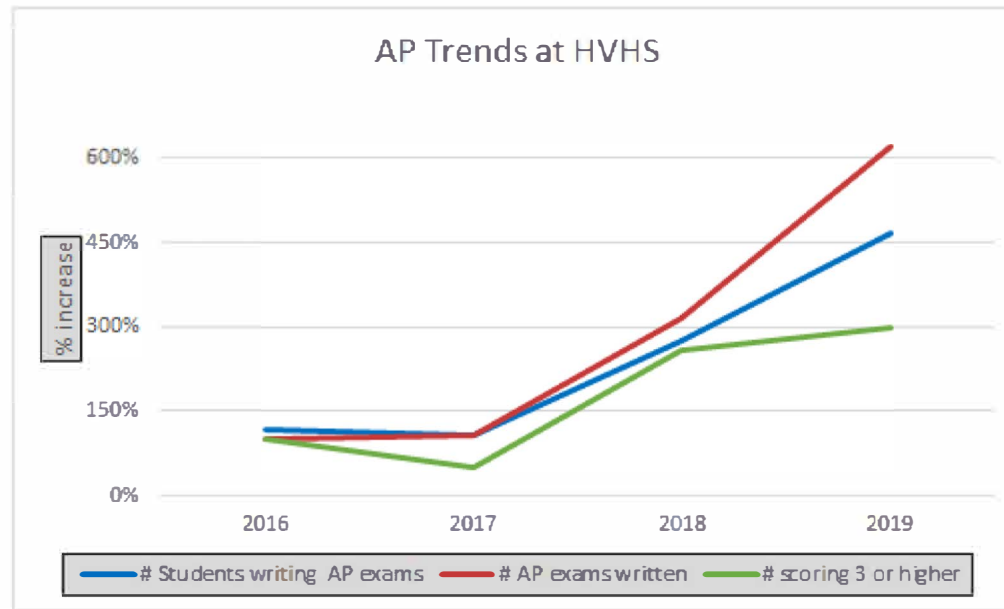

Enrichment

ADVANCED PLACEMENT CAPSTONE PROGRAM

Advanced Placement is designed to provide motivated high school students with university level academic courses. The AP program is recognized more widely in North America than any other advanced program with over 3 000 universities and colleges recognizing AP courses as an admission credential.

AP Capstone™ is a diploma program based on two yearlong AP courses: AP Seminar and AP Research. These courses are designed to complement other AP courses that the AP Capstone student may take. AP Seminar and AP Research use an interdisciplinary approach to develop the critical thinking, research, collaboration, time management, and presentation skills students need for university-level work. (apcentral.collegeboard.org)

Harbour View High School offers the following AP courses: AP Biology, AP Calculus, AP Chemistry, AP English Literature, AP European History, AP Psychology, AP Physics, AP English Language, AP French, AP Research & AP Seminar.

Over the past four years, Harbour View has consistently:

- Increased enrolment in AP courses
- Increased the number of AP courses offered
- Increased the number of students achieving 3 or higher on AP exams; and
- Increased the number of students writing AP exams.

Academics

PROGRAMS OF STUDY

Course of Studies: Grade 9 Regular and Enriched

Grade 9 – English

English (full year)
Math (full year)
Science (Gr. 9&10)
Social Studies (one semester)

 - HVHS Distinction Average 95% or higher

NBTAP (New Brunswick Teen Apprenticeship Program)

With the NBTAP program, HVHS graduates will have fulfilled their first block of an apprenticeship. Our graduates leave high school with a head start in post-secondary apprenticeship programs. Ask us for more information!

FRENCH IMMERSION PROGRAM

At Harbour View, we provide the best possible French immersion opportunities in the district. Our immersion students experience French in a meaningful context by using French as the language of learning in a wide variety of courses. As a result, our students achieve a high level of functional bilingualism, providing them with better opportunities for success in our multicultural society.

Our immersion program teachers create practical opportunities for students to speak French in and outside the classroom, such as the Provincial Oratory competition, the Le Français pour l'avenir/French for the Future forum at St. Thomas University, a three-month education exchange to Québec, and French summer camp at the Université de Moncton.
