

Harbour View High School Extra-Curricular Participation Award Application Form

Name: _____

Homeroom: _____

HVHS believes it is important that you be recognized for your involvement in extra-curricular activities. Your participation is valued and in order to reward you, we need you to record what you do each year. To keep track please use this form and follow the instructions. Point values for each activity reflect time commitment. Students will be awarded the V's, Winged V's or Medals of Distinction that they have earned at the annual HVHS Awards Ceremony.

There are dedicated columns for each year (grade 9, 10, 11, and 12). To record your involvement, enter the name of the activity under the correct section of points and put a check mark in the box under the year you participated. The values of each sport/club you participated in are on a separate page, attached. We both encourage and reward repeat participation as it demonstrates commitment.

The committee will have the discretion of making positive adjustments to a student's overall tally when a student has shown significant contributions in one area while shortfall exists in another inhibiting the achievement of a V or Winged V; this adjustment will be shown in the "Bonus" column.
