

We have had a busy week at Harbour View. Our choirs, bands, and string students entertained a full house on Wednesday night at Christmas at Harbour View. Thank you to the teachers, directors, accompanists and parents who made that evening such a success.

Last weekend our choirs had a busy weekend participating in several events around the city. They performed Friday night at Uptown Sparkles, singing traditional Christmas Carols in Kings Square where a large crowd gathered to enjoy their beautiful sounds. Then, on Saturday night, they sang at the 25th annual Christmas Gala by SJ Chorale, along with several other choirs and bands. Sunday, Chazz performed beautifully again at Make a Joyful Noise II.

Today was our Entrepreneurship Market. It was a fantastic display of the efforts and talents of our students – and the organizational powers of Ms. Wilson! Our strings students entertained while the vendors sold their products to our staff, students, and visitors.
