SAINT JOHN DISTRICT YOUTH HOCKEY ASSOCIATION **COMMUNITY HOCKEY**

In high school and still want to play hockey? Want to get on the ice and have fun? Want to do it for a reasonable price?

Come play for the Saint John District Youth Hockey Association (or Community Hockey as we like to call it). This was formerly 'School Boy' in elementary and middle school and now we have it available to high school students that aren't already playing within a hockey organization and for those students to come out and just have fun, no pressure just fun.

This is a league where you can get on the ice for approx. 1 hour, 1-2 times per week and play hockey for fun, it's not about winning its about playing.
