8. Additional resources

## 1. My student's login isn't working.

The login information may not be accurate or there might be some other issues with the accounts in your student's school. Contact your student's teacher or school district with questions.

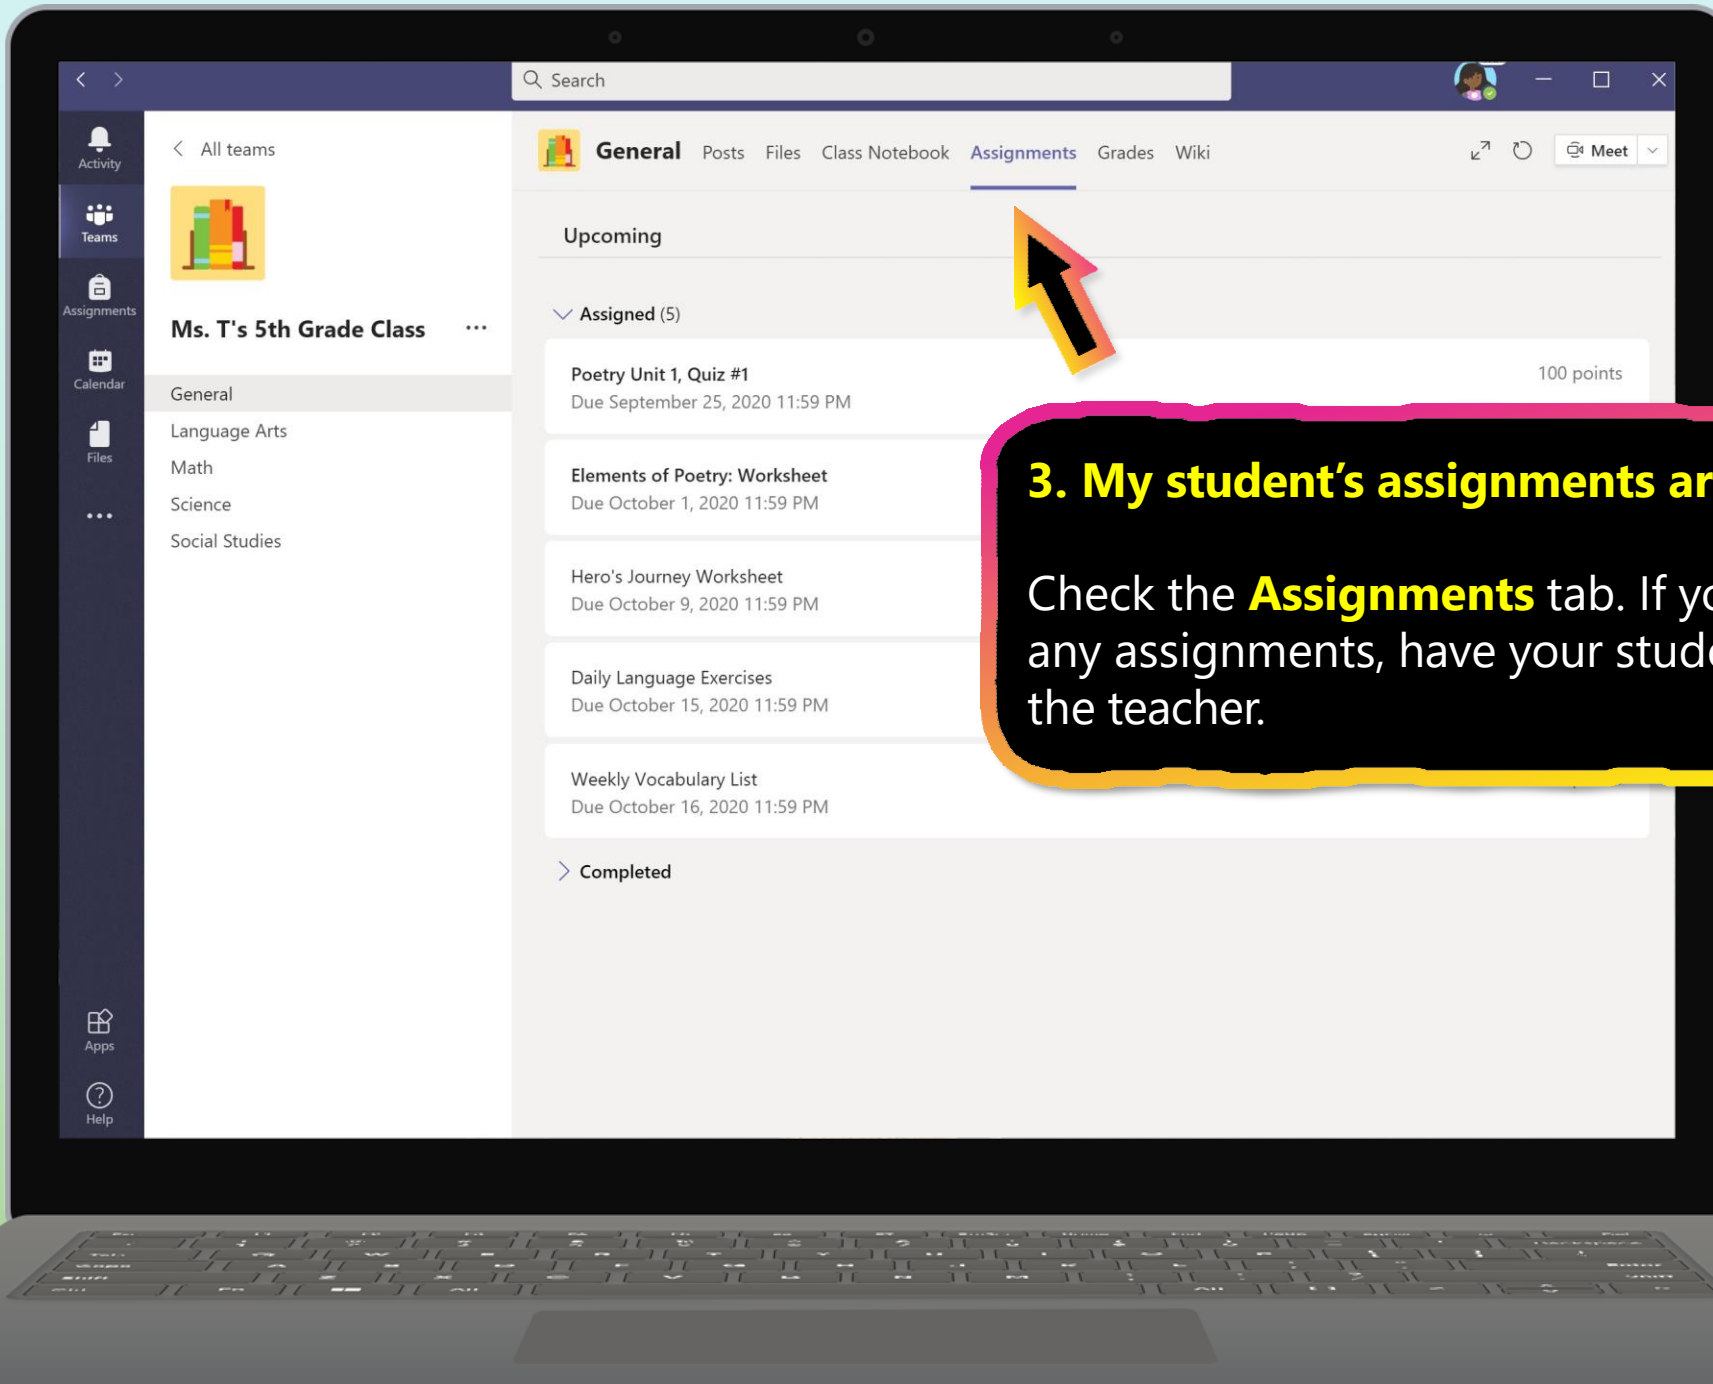

## 2. I can't find my student's class during set-up.

If you don't see your student's classes after you log in, the teacher may have invited you to join your class team with:

- A join code. From the Teams page, select **Join team** and enter the code.
- A unique link. Ask your student to check their email.

### 3. My student's assignments are missing.

Check the **Assignments** tab. If you don't see any assignments, have your student email the teacher.

#### 4. My student missed a class— what now?

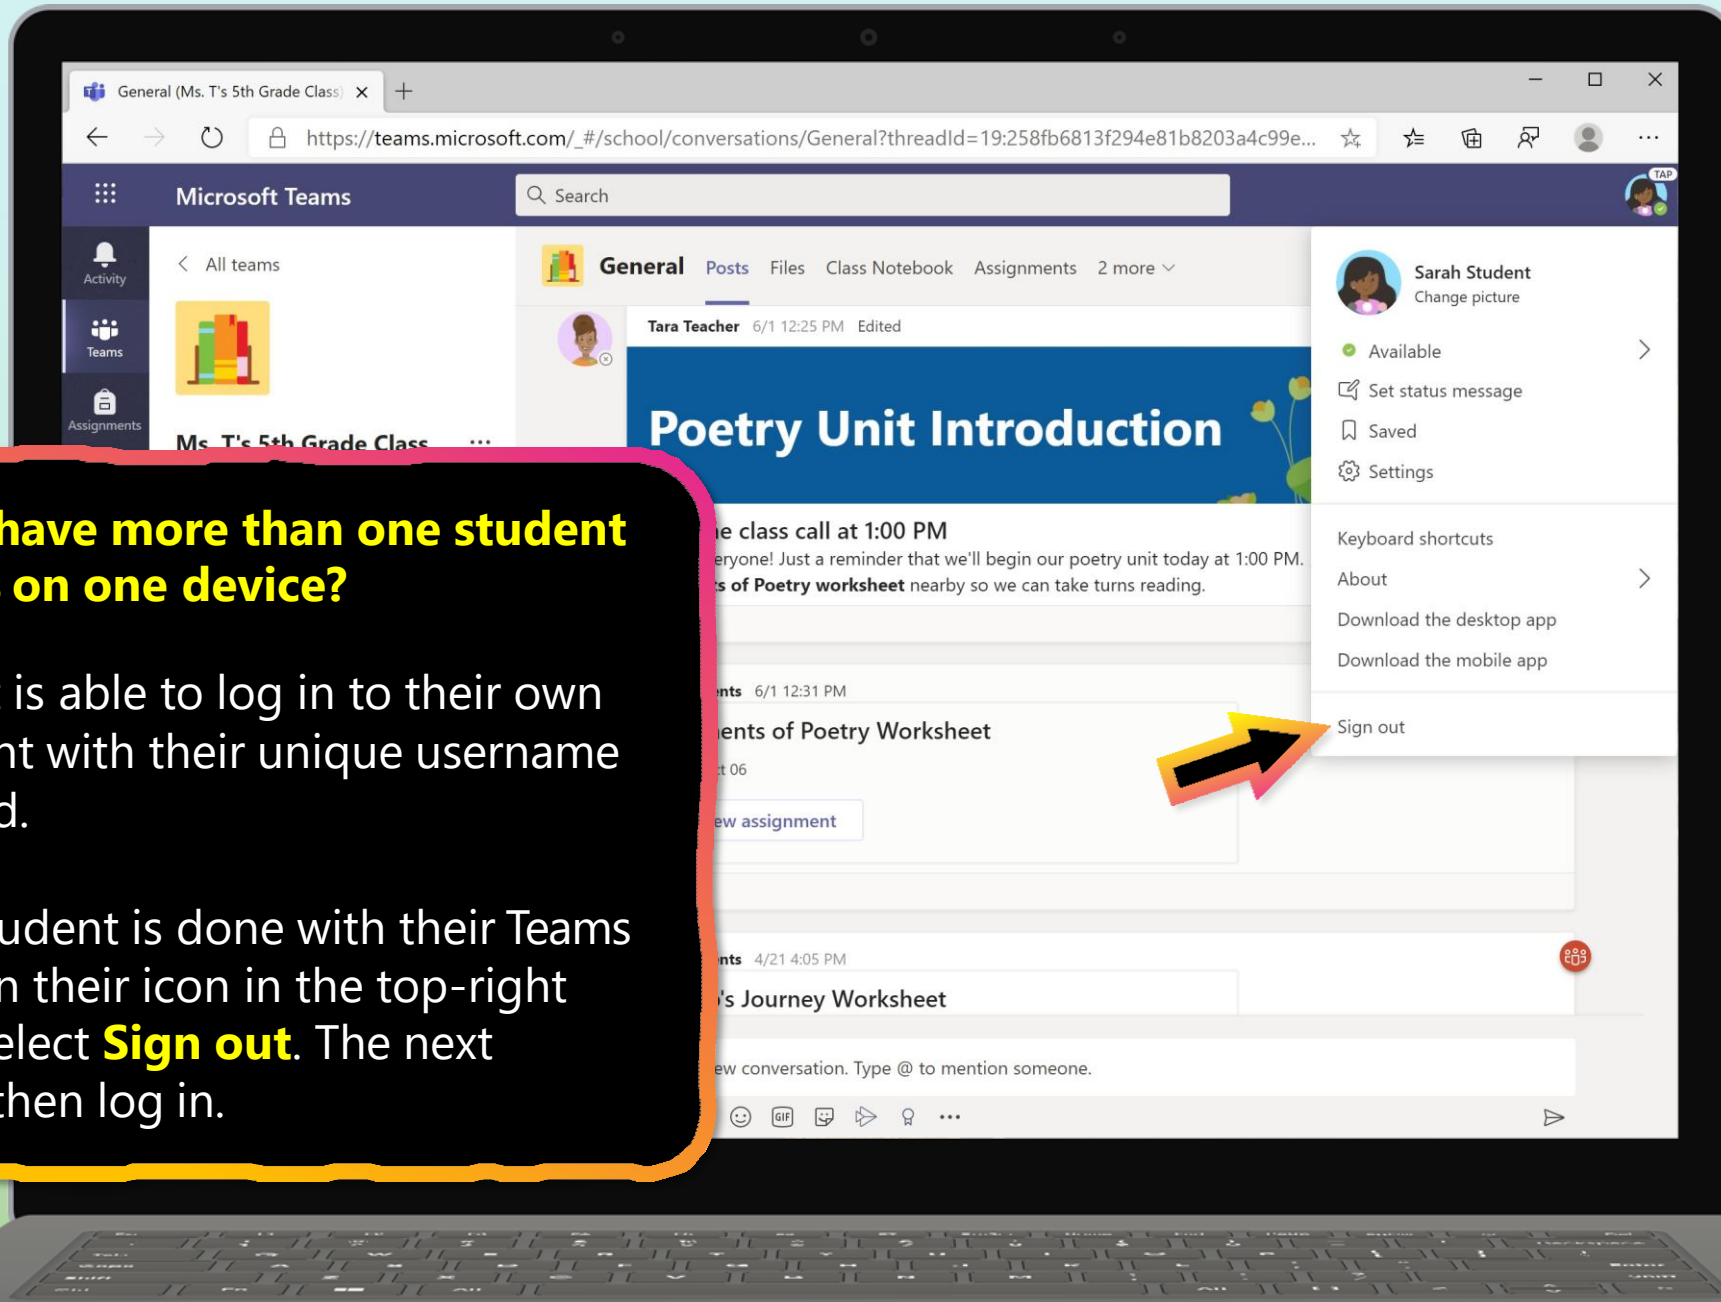

1. Read any new posts in the class team channel.
2. Check for a recording of the class meeting in the team channel and watch the meeting.
3. Check in with the teacher for additional information.

The screenshot shows a Microsoft Teams interface for a team named "Ms. T's 5th Grade Class". The left sidebar shows navigation options: Activity, Teams, Assignments, Calendar, and Files. The main area displays the "General" channel with a search bar at the top. Below the search bar, there are tabs for "Posts", "Files", "Class Notebook", "Assignments", and "2 more". A "View assignment" button is visible. Below that, an "Assignments" section shows "Poetry Unit 1, Quiz #1" due on Sep 25, with a "View assignment" button. A "Today" separator is present. A post from "Tara Teacher" at 6/1 12:39 PM says "Scheduled a meeting". Below this is a meeting card for "Poetry Unit Introduction: Elements of Poetry" on Thursday, October 1, 2020, at 1:00 PM. The meeting card includes a recording icon and a video thumbnail with a duration of "59m 49s". Below the thumbnail, it says "Poetry Unit Introducti... Recorded by: Tara Teacher". A yellow arrow points to the recording icon. At the bottom, there is a text input field with the prompt "Start a new conversation. Type @ to mention someone." and a row of icons for attachments, emojis, GIFs, and more.

## 5. What if I have more than one student using Teams on one device?

Each student is able to log in to their own Teams account with their unique username and password.

When one student is done with their Teams work, click on their icon in the top-right corner and select **Sign out**. The next student can then log in.

You can also create multiple accounts (also called profiles) in the new Edge browser.

## 6. We are experiencing low internet bandwidth. What can we do?

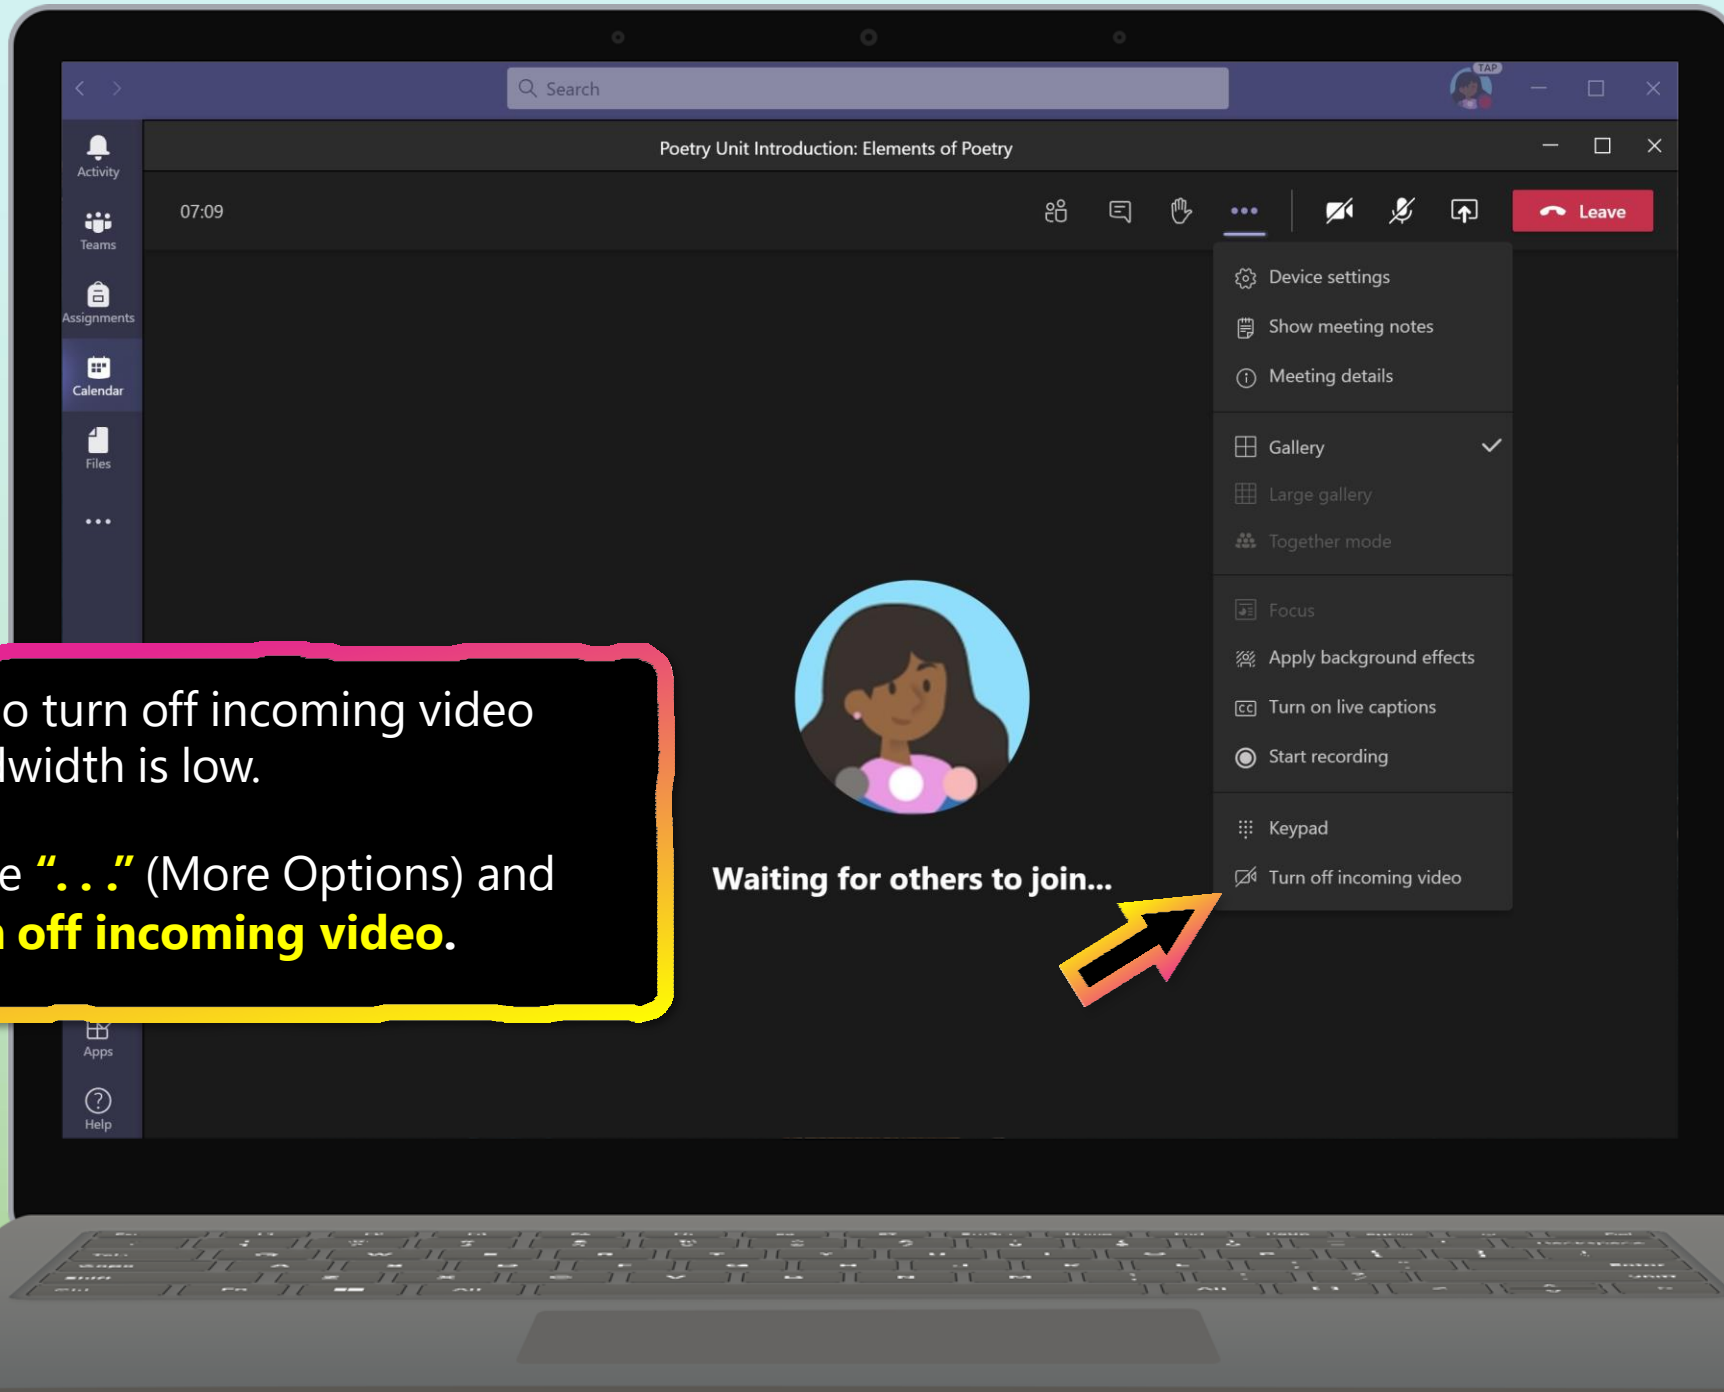

You can still use Teams when internet bandwidth is low. Teams will work to reduce the amount of video streams automatically.

You can try limiting video usage during live class sessions. Have your student turn on the camera at the beginning of the session to say hello, or have your student only use the camera when they are speaking.

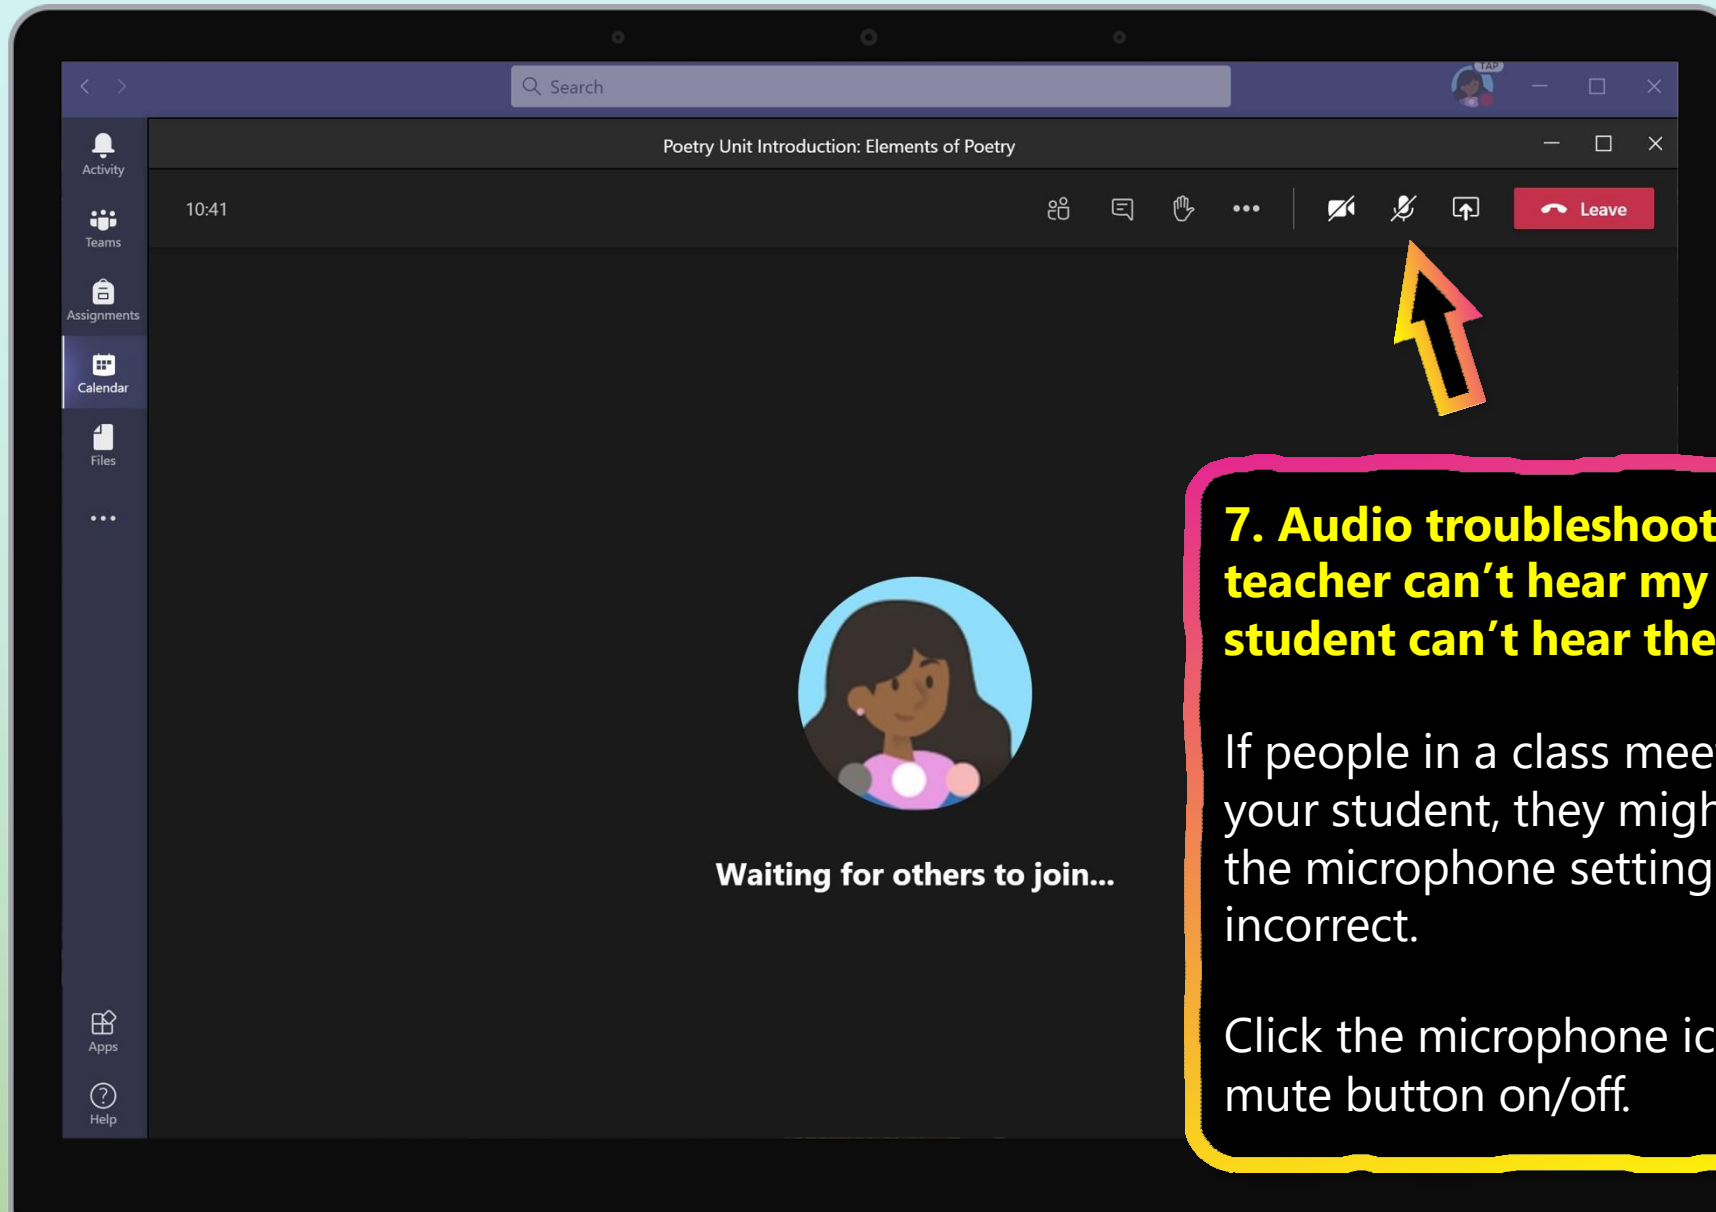

You can also turn off incoming video when bandwidth is low.

Click on the "... " (More Options) and select **Turn off incoming video**.

**7. Audio troubleshooting: The teacher can't hear my student, or my student can't hear the teacher.**

If people in a class meeting can't hear your student, they might be muted or the microphone setting might be incorrect.

Click the microphone icon to turn the mute button on/off.

To change your speaker or microphone settings in a meeting, select the "..."  
(More Options) button from the toolbar. Click **Device settings**.
