

PSSC Meeting Minutes

- November 2017 -

- Passed out some info for the Group
- Briefly discussed the information such as the group roles and responsibilities
- Overview of the School Improvement Plan 2017-2018
- Career day went extremely well
- * We think the school should have tech crew
- Students wellness survey
- A wonderful snapshot of Grades 4-5 was completed last year
- Questions were mainly answered by students
- Kindergarten registration is going well, numbers are on par with last year
- Train safety for grade 4 was great along with some other events
- Remembrance Day ceremonies were held Friday Nov. 10
- Report cards are coming next week
- 28th will have an event held by Science East
- Kids will participate in many events in the next few weeks leading up to Christmas break
- Huge sign to be placed outside the Gym with school name, lights to come (won't bug neighbours)
- Cross walk enhancements need to be added outside for student safety. There is a current policy in place with the government. We would like to be added to the list of schools who need the enhancements right away as most children who take city transit cross there as well as families during events at school. Motioned by Chris seconded by Andrea, vote – motion carried.

Budget: \$415 - Some of the budget has already been used for the talk mail system.

Brain storming: - Events to bring the community closer

- Skating night
- Tech night
- Hot chocolate
- Fair?
- Tech Internet Safety Event
