Good Afternoon,

This is Greg Norton, Principal (Acting) of Loch Lomond School, here with a few announcements regarding upcoming events at your school for the week of April 3<sup>rd</sup> – 7<sup>th</sup>.

Tuesday, April 4<sup>th</sup> Theatre New Brunswick's Young Company will be performing a sure to please production entitled "The Damsel in Distress Who Saved Herself." This live theatre performance will turn gender stereotypes on their head! The play features an evil witch who has kidnapped a princess. A prince has come to save her, but doesn't know how. In this witty play by Fredericton's Kira Smith, the damsel is the hero who can fight with great skill, while the prince is good at singing and sewing and cooking. Together they must find a way to escape the witch's castle, and learn a thing or two along the way. This production is made possible by the Home & School Association and the many individuals who have helped their fundraising efforts in support of Loch Lomond School.

Tuesday, April 4<sup>th</sup> Grade 5 students will be participating in week eight of the ten week D.A.R.E. program. This drug abuse resistance education course is delivered by a police officer from the Saint John Police Force. For more information please contact your child's teacher.

Wednesday, April 5<sup>th</sup> students who have submitted consent forms will receive their regular fluoride treatment to help keep their smile strong and bright!

Wednesday, April 5<sup>th</sup> the regular monthly PSSC meeting will be held at 6:00 p.m. Parent School Support Committee Meetings are open to the public and you are welcome to attend. The PSSC addresses the broad issues related to the education of all students in the school, with the goal of enhancing student learning.
