27 April 2018

Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of April 30th – May 4th.

Fine Arts Gala tickets are on sale at the school office until May 8th – with only 200 tickets are available.

Jump Rope for Heart fundraising envelopes are due back by May 9th. If you have any questions please contact Mrs. Aylward.

National Mental Health Week is being recognized in ASD-S from May 1st – 8th. This week provides an opportunity to reflect on the advances in mental health, spread awareness about mental illness and share stories of recovery.

May 1st is the last day for the *Mad Science* afterschool program.

May 4th there are no classes. This day is scheduled as Provincial Council Day which has been est. throughout NB for NBTA Councils to hold provincial conferences. This day is committed to professional learning, and provides opportunity for fellow NB professional to confer together.

May 7th there are no classes. This day is scheduled as NBTA/AEFNB Branch meetings.

Lastly, under the NB Teachers Collective Agreement, all Kindergarten to Grade 8 teachers are to receive two half days each year for report card preparation. The teachers had a half day in November dedicated to preparation of their report cards. The report cards were new to everyone and this time was appreciated. On March 14th the Kindergarten to grade 8 teachers were scheduled to have another half day to help with their preparation of the March 2018 Report Cards. Unfortunately this was a storm closure day across the District. As a result of this, we must adjust our school calendar so there is a half day dedicated for the June report card preparation at K-8. This will happen on Wednesday, June 6th, 2018 and on that day it will be an early dismissal day for all K to 8 students. We apologize for any inconvenience this change may cause, and we hope by giving a one month notice you will be able to make the necessary arrangements.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns please don't hesitate to call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,
Greg Norton,
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*

Principal: Greg Norton

Vice Principal: Cheryl Aylward
