28 Feb. 2020

Good Afternoon:

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of March 9th – 13th.

A Reminder that Monday, March 2nd – 6th there are no classes because of the March Break.

Loch Lomond School welcomes two St. Thomas University student teaching interns, who will join our team on March 9th – May 8th. Mlle Monique DePippo will be completing her field placement with Mme Garin in Grade 3FI and Mlle Hannah Pierce will be completing her field placement with Mme Maloney in Grade 2FI. Please join me in welcoming our new student teaching interns to the Loch Lomond School community!

Starting Monday, March 9th – Friday, March 13th Loch Lomond School will celebrate French Culture Week with a concert, series of special events, French pastries, and French themed activities. This French themed week provides an opportunity to learn and better appreciate NB's vibrant French culture. Thank you to our French Immersion team for organizing this week-long, fun-filled learning opportunity for all students.

Our Veseys Seed Fundraiser has started this week! Order forms and Payment envelopes will be going home with each student. This is a great fundraising opportunity for our school as 50% of the sales go directly back to fund Grade K-5 Activities/Fieldtrips: School Special Events, Athletics & Fine Arts; Awards & Student recognition. Orders will be available for pick up the week of the April Home Reports , in plenty of time for Mother's Day and for spring planting. Please return order forms with cash payments in the sealed envelopes by March 20th.

Please be reminded that if a student has lost a book or has damaged it beyond repair, the cost for replacement to the student is \$7.50 for paperbacks and \$15.00 for hard cover books. The replacement fees are used to purchase new books for those lost or damaged beyond repair.

- **Wednesday, March 11th** is *Fluoride Mouth Rinse Day* for students in Grades 1-5.
- **Thursday, March 12th** Loch Lomond School will have the pleasure of hearing from Roland Bibeau during a sure to please school wide French concert. This interactive bilingual language music concert gives students the motivation and confidence to sing along to French-language songs, and to better learn the language in the process. This performance will focus on music as a learning tool and demonstrate how music can be used in teaching students a second language.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns, please do not hesitate to call 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education

Greg Norton,
Principal
