7 Feb. 2020

Good Afternoon:

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of Feb. 10th – Feb. 14th.

- **Tuesday, Feb. 11th** is “Safer Internet Day” and is a call for action for all stakeholders to join together and play their part in creating a better internet for everyone, and especially for younger users. For more information visit: <http://www.saferinternetday.org>.
- **Tuesday, Feb. 11th** Energy and Resource Development will be visiting Grade 4FI students in Mme Little’s homeroom class. This French language presentation will focus on the plentiful and diverse nature of the natural wealth that we have as a province. This presentation aims to recognize specifically that NB forests are our premier resource and identify some related management techniques. Lastly, this presentation will help foster positive attitudes towards natural resources in NB and demonstrate the different ways that the children themselves can become managers of NB wealth by making responsible and conservation minded decisions.
- **Wednesday, Feb. 12th** is *Fluoride Mouth Rinse Day* for students in Grades 1-5.
- **Wednesday, Feb. 12th** TNB Young Company will present *Boys, Girls, and Other Mythological Creatures* by Mark Crawford. This live theatrical performance staged deep in Simon’s basement, where there is a secret world of imagination and adventure – where a young prince can transform into mythological creatures! Simon invites new neighbor Abby to help save a princess in a battle against a fire-breathing dragon. Meanwhile, Simon’s older brother Zach is not so sure about all this dressing up and fairy tale business... A thoughtful and hilarious new play about our ability to transform!
- **Wednesday, Feb. 14th** is Valentine’s “Red & Pink” Day. Come dressed in all your favorite Valentine colors for this fun February day in our calendar.
- **Wednesday, Feb. 14th** Mme Johnston’s Grade 5FI Homeroom class will be travelling to the East Branch Public Library on board the PALS Kids on the Go Bus. Thank you to our PALS at J.D. Irving Ltd. and the East Branch Public Library for making this co-curricular event possible. Consent forms are required to participate.
- **Feb. 10th – 14th** is *Staff Appreciation Week* and is a time to celebrate the incredibly dedicated professionals who work in public education and are helping guide our children and youth towards a better future. The passion for education by our very own Loch Lomond School staff team is helping make a positive difference with our students. Our school staff team is innovative, supportive, committed, compassionate, creative, encouraging, enthusiastic, and engaging. We are fortunate to have such an outstanding Loch Lomond School team who are helping to create life-long learners by instilling enthusiasm for learning. I encourage you to express your appreciation for our school staff, not just during Staff Appreciation Week, but every day.

For a complete list of the week’s activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns, please do not hesitate to call 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*
