Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of January 15th – January 19th.

Happy New Year to everyone! Many thanks to our facilities staff for helping keep our school campus safe and accessible, we always appreciate the work of our support staff and the very important work they do to keep our school operating in tip-top shape.

Many thanks to the NB Nurses Association for their generous donation to our school nutrition program at Loch Lomond School. By fueling students we help feed their minds!

A reminder for parents who wish to register their child for Grades 1, 3 or 6 French Immersion for 2018-2019, you are required to apply online. The registration link is found on our school website under *Parent Information*.

Jan. 16th at 6:30 p.m. the Home & School Association will be hosting their regular monthly meeting in the Makerspace & Innovation Lab. A reminder that meetings are open to the public and your participation is encouraged. Thank you to our Home & School for their valuable partnership and contributions to Loch Lomond School.

Jan. 17th students who have returned consent forms will receive their weekly Fluoride Mouth Rinse. The program is a very effective way to prevent tooth decay in children. Parental consent forms are required to participate in this free program.

Jan. 17th is a half day for students. Classes will take place for the morning only and buses will begin picking students up for dismissal at 11:30 a.m. Please communicate with your child's teacher if alternate transportation arrangements are required for this day.

Jan. 17th the PSSC (Parent School Support Committee) will meet at 6:30 p.m. and this meeting is open to the public. If you would like to join the PSSC or find out more about the important roles and responsibilities of a PSSC member, please don't hesitate to contact the school administrative office.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns please don't hesitate to call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,
Principal
