17 Jan. 2020

Good Afternoon:

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of Jan. 20th – Jan. 24th.

Loch Lomond School in partnership with the Anglophone South School District now offers School Cash Online as its preferred method of payment for all school fees, including everything from field trips to hot lunches, to yearbooks, etc.

School Cash Online helps parents/guardians pay school-related fees safely, quickly and easily. By using School Cash Online, you help increase efficiency and security at schools by making payments directly into your school's bank account. This allows teachers and administrative assistants to focus on helping students, and not counting cash. Plus, you get to stay informed of your child's activities and needs!

Powered by KEV Group, School Cash Online is the industry leader in school financial management. Schools post their items and activities through the system and assign the relevant fees to your child. You can then choose to purchase online using credit card or direct debit from your account.

You are now able to register – a simple task that takes only 2 minutes – by visiting [district.schoolcashonline.com](http://district.schoolcashonline.com). You will only need to have your child's name and birthdate, username and a password to register.

If you have any further questions, please call us at the school at 658-5350. Should you encounter any difficulties, you can use the parent help desk at 1-866-961-1803 or by visiting [schoolcashonline.com/Home/Support](http://schoolcashonline.com/Home/Support).

- **Tuesday, Jan. 21st** Mme Johnston's Grade 5FI Homeroom Class will be travelling to the Shining Horizons Therapeutic Riding Association, to tour this state-of-the-art facility located on Red Head Road. Students will participate in 3 stations: Information on feeding and care of horses; Information on barn cleaning and how the facility runs; Information on grooming of horses. At each station, connections would be made to how the tasks relate to their therapeutic lessons and the benefits for those taking part in their programs. Consent forms are required to participate.

- **Wednesday, Jan. 22nd** is *Fluoride Mouth Rinse Day*. This program is for students in Grades 1-5 and is a free and effective way to prevent tooth decay. Parental consent forms are required to participate.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns, please do not hesitate to call the 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,  
Principal
