31 Jan. 2020

Good Afternoon:

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of Feb. 3rd – Feb. 7th.

- **Monday, Feb. 3rd** is the transition date from Grade 5 Intensive French to the Grade 5 Compacted Curriculum. This important transition date has been highlighted on our school website events calendar. Please note that students currently in Mme Maxan's Homeroom class will transition to Mrs. Crealock's Homeroom class and those students currently in Mrs. Crealock's Homeroom class will transition to Mme Maxan's Homeroom, for the remainder of the school year.
- **Tuesday, Feb. 4th** Energy and Resource Development will be visiting Grade 4 students in Mrs Bryson's homeroom class and Mrs. Crealock's homeroom class. The presentation will focus on the plentiful and diverse nature of the natural wealth that we have as a province. This presentation aims to recognize specifically that NB forests are our premier resource and identify some related management techniques. Lastly, this presentation will help foster positive attitudes towards natural resources in NB and demonstrate the different ways that the children themselves can become managers of NB wealth by making responsible and conservation minded decisions.
- **Wednesday, Feb. 5th** is *Fluoride Mouth Rinse Day* for students in Grades 1-5.
- **Wednesday, Feb. 5th** Photography Flewwelling will be taking photos of all our teams, clubs and activities here at Loch Lomond School, in preparation for the yearbook publication. For best results we recommend clothing that is free of busy logos and busy designs.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns, please do not hesitate to call the 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*
