16 June 2017

Good Afternoon,

This is Greg Norton, Principal of *Loch Lomond School*, here with a few announcements regarding upcoming events at your school for the week of June 19th – June 23rd.

Please be reminded, if your child currently has an alternate bus request in place, you should have received a form home this week for the 2017-18 school year. It is important to fill out the form completely (postal codes required!) and return to the office for input into our student information system so transportation will have the information to generate over the summer. If you did not receive a form please make arrangements to pick one up or have one sent home with your child.

We wish to thank everyone who supported our First Annual Fine Arts Gala and remind those who were contacted regarding winning bids to please pick-up their art at the school administrative office.

Parents and students are reminded to ensure that any overdue library books are returned to your child's homeroom teacher as soon as possible.

Monday, June 19th we welcome students coming from our neighboring schools at Lakewood Heights and St. Martins, to enter the French Immersion Program at the Grade 1FI entry point and Grade 3FI entry point. This will provide opportunity for these students and their families to meet faculty, ask questions and visit our school prior to the September 5th back-to-school start.

Monday, June 19th Grade 4 students in Mrs. Vaughan's and Ms. Aylward's homeroom class will be travelling for their end-of-year fieldtrip. Please note that consent forms are required to travel and participate on this end-of-year fieldtrip.

Tuesday, June 20th is our annual Grade 5 Farewell Event generously sponsored by our Home & School Association. The Grade 5 Farewell Event will start at 9:00 a.m. with a brief reception scheduled for 10:00 a.m. – 10:30 a.m. Students will enjoy a class field-trip to the Cineplex Cinema and return for an afternoon of Grade 5 moving on activities.

Wednesday, June 21st Grade 3 students in Mme Maloney's, Mme Maxan's and Mrs. Richardson's homeroom class will be travelling for their end-of-year fieldtrip. Please note that consent forms are required to travel and participate on this end-of-year fieldtrip.

Wednesday, June 21st the Cubs Crossing POD made up of Mrs. Snow's, Mrs. Bartlett's and Mrs. Munn's will be traveling for their end-of-year fieldtrip. Please note that consent forms are required to travel and participate on this end-of-year fieldtrip.

Thursday, June 22nd is the annual Loch Lomond School 'Canada 150: Fun Day' supported by our Home & School Assoc. Students will participate in activities ranging from an 'obstacle course' to the 'water bucket challenge.' Parents/Students are reminded to wear appropriate clothing for outside physical activity; sunscreen is also recommended. Students will also be provided a free pizza lunch, drink and cold treat to enjoy. Come dressed in Red & White to celebrate our 'Canada 150: Fun Day' event.

Friday, June 23rd is our End-of-Year Assembly to celebrate each of our 16 homeroom families! Each class has accomplished many things and this assembly will provide opportunity to celebrate each homeroom class and revisit some of the memories we created as a school throughout this 2016-2017 school year.

Friday, June 23rd is the Last Day for Students and parents/students are reminded this is a ½ day with dismissal at 11:30 a.m. Home Report Cards will be issued to each student at dismissal time. If your child is absent please contact the school administrative office for report card pick-up prior to June 27th.

For a complete list of the week's activities & future events please refer to the *Loch Lomond School* website or follow us on *Twitter* @LochLomondNB. If you have any questions or concerns regarding the before mentioned announcements please call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit!

Yours in Education,

Greg Norton

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*
