4 June 2021

Good Afternoon:

This is Greg Norton calling from Loch Lomond School, with a few updates regarding upcoming events at Loch Lomond School for Monday, June 7th – Friday, June 11th.

Parents/Caregivers are reminded to submit student fees if they have not already done so. Student fees can be paid using SchoolCashOnline <https://asd-s.schoolcashionline.com/> or by visiting the school office. Student fees are \$30 per student or \$60 for families with two or more children.

Monday, June 7th Mrs. Gillespie's Homeroom Class and Mrs. Snow's Homeroom Class will travel to the Irving Nature Park for their end-of-year fieldtrip to participate in a guided tour of the park and a beach scavenger hunt. Students will learn about ecosystems, local flora and fauna, lifecycles, and more. Consent forms are required to participate.

Tuesday, June 8th Mrs. Hodders's Homeroom Class and Mrs. Redfurns's Homeroom Class will travel to the Irving Nature Park for their end-of-year fieldtrip to participate in a guided tour of the park and a beach scavenger hunt. Students will learn about ecosystems, local flora and fauna, lifecycles, and more. Consent forms are required to participate.

Wednesday, June 9th is Student Appreciation Day. Just as school staff have had a trying year, students have had a trying year as well. Following safety protocols, fewer activities, and separation from peers has not been easy for students. Fortunately, our students have shown great resiliency, compliance, and understanding, and in the spirit of celebrating the positive, all schools in ASD-S will be participating. Students will hear special shout-outs on the announcements, tweets to celebrate our students, class bubble pictures outside, random draws, and more throughout the day. We know that COVID-19 has impacted our ability to show school spirit in the traditional ways and we hope this will be a fun and celebratory way to show our students gratitude, while drawing attention to the positive role they have played this year with their teachers and school staff.

Thursday, June 10th, is the Loch Lomond School Kindergarten Orientation Day. Children attending Kindergarten for the upcoming school year will have opportunity to participate in a kindergarten orientation session and have the chance to discover what a kindergarten day is all about. The orientation session will also provide students and a parent/caregiver opportunity to participate in a bus ride and a bus safety orientation with a member of the district transportation team. To register your pre-kindergarten child to attend the June 10th orientation session, please call 658-5350. In advance, parents/caregivers are reminded of the following:

- Parents/Caregivers are not permitted to attend the Kindergarten Orientation Session with their child.
- One Parent/Caregiver is permitted to attend the Bus Ride & Safety Orientation Session.
- AIS (Autism Intervention Services) representative is permitted to attend with their student client.
- All participating students are required to wear masks as per GNB requirements for children over two.

Thursday, June 10th there is no school for students in the following Homeroom Classes because of the Kindergarten Orientation Day: Mrs. Hodder's Homeroom Class; Mrs. Snow's Homeroom Class; Mrs. Gillespie's Homeroom Class; and Ms. Redfurn's Homeroom Class.

Friday, June 11th Mme Garin's Homeroom Class will travel to the Meenan's Cove Park for their end-of-year fieldtrip to enjoy art-in-the-park and the beautiful beach nearby. Consent forms are required to participate.

Yours in Education,

Greg Norton  
Principal
