Good Afternoon,

This is Greg Norton, Principal of *Loch Lomond School*, here with a few announcements regarding upcoming events at your school for the week of June 12th – June 16th.

Please note that Alternate Bus Requests must be completed each fall for the new school year. Requests can be submitted the first week of school but will not be effective until at least the week after school starts. Thank you in advance for your cooperation.

Wednesday, June 14th marks the last day for the *NB Flouride Mouth Rinse Program*. The program will re-start in the fall of the upcoming school year. Thank you to all who participated and our volunteers who dedicated time each week to support the delivery of this program.

Wednesday, June 14th is our “Books for Bikes” assembly sponsored by the local chapter of the *Freemasons*. The program has encouraged many of our students to read, with the overall aim of fostering a love of reading. Students who participated have had their name entered into a draw for a chance to win one of ten bikes. Thank you to those *Freemasons* community members who have partnered with Loch Lomond to make this program possible.

Thursday, June 15th students will be planting Marigolds at *Loch Lomond School* and the *Saint John Airport*. The *Marigolds Project* began in 1997 as Marigolds on Main Street. Originally students from four local schools gathered each June to plant marigolds along Main Street in Saint John. Marigolds on Main Street has grown into The *Marigolds Project* and continues to evolve each year. The *Marigold Project* has served as a model for similar planting programs nationally and around the world. In 2013 The *Marigolds Project* was recognized in the *Guinness Book of World Records* for the most youth planting flowers at one time. (Rain Date for Marigolds Planting Day is Friday, June 16th)

Thursday, June 15th the Lions Lane POD made up of Mrs. Hatt’s, Mrs. Bishop’s, and Mrs. McGuire’s classes will be travelling to *Midland Farm* for their end-of-year fieldtrip. Please note that consent forms are required to travel and participate on this end-of-year fieldtrip.
