---

16 March 2018

Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of March 19<sup>th</sup> – March 23<sup>rd</sup>.

A reminder that attendance matters! Socially, being in school every day helps to form habits that impact on your child's future. For example, the child who attends school every day is more likely as an adult, to be at work every day. Every day at school makes a difference.

**March 20<sup>th</sup>** students will start the day with an educational *Mad Science Show!* This special event is a spectacular science-themed show designed to amaze and entertain our students. Students K-5 will learn about science when they see foggy dry ice storms, float on a Mad Science hovercraft, watch a foam factory at work, discover Bernoulli's principle, make magic mud, alter sound waves, and so much more!

**March 21<sup>st</sup>** is the regular monthly PSSC (Parent School Support Committee) meeting. This public meeting starts at 6:30 p.m. and is open to all members of our school community. If you would like to join the PSSC or find out more about the important roles and responsibilities of a PSSC member, please don't hesitate to contact the school administrative office or contact our PSSC Chairperson by visiting the Loch Lomond School website.

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns please don't hesitate to call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,  
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.  
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*

**Principal: Greg Norton**

**Vice Principal: Cheryl Aylward**
