2 March 2018

Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of March 12<sup>th</sup> – March 16<sup>th</sup>.

Loch Lomond School in the coming weeks will be offering *School Cash Online* as its preferred method of payment for all school fees, everything from field trips to yearbooks. School Cash Online allows parents to pay school related fees safely, quickly and easily. By using *School Cash Online*, you help increase efficiency and security at schools. Teachers and administrative assistants are then able to focus their time on helping students, and not counting cash. *School Cash Online* shows all of the school fees available to your students online for purchase. You can then view and choose to purchase these fees online through two different payment methods, including credit cards. You can also stay informed of upcoming events and keep track of which school fees require your attention.

Congratulations to **Clinton Charlton**, for winning the \$1000 prize as part of our Loch Lomond School Raffle Fundraiser! Loch Lomond School would like to thank everyone who supported this worthwhile cause, which raised a grand total of \$2,810.00. All proceeds raised will be used to support student events and activities at Loch Lomond School.

Starting March 12<sup>th</sup> – March 16<sup>th</sup> Loch Lomond School will celebrate French Culture Week with a series of special events, sock-hops, field trips and French themed activities. This French themed week provides an opportunity to learn and better appreciate NB's vibrant French culture. Thank you to our French Immersion team for organizing this week-long, fun-filled learning opportunity for our students!

**March 13<sup>th</sup>** Loch Lomond School will have the pleasure of hearing from Roland Bibeau during a sure to please school wide French concert. This interactive bilingual language music concert gives students the motivation and confidence to sing along to French-language songs, and to better learn the language in the process. This performance will focus on music as a learning tool, and demonstrate how music can be used in teaching students a second language.

**March 14<sup>th</sup>** there is no school for students as teachers are involved in professional learning sessions and report card preparation.

**March 15<sup>th</sup>** is the Speed Stacking Jamboree being held at the Millidgeville North School cafeteria. Transportation is the responsibility of parents/guardians and consent forms are required to participate. Please contact Ms. Aylward who's organizing and supervising our Jamboree events throughout the school year if you should require more information.

**March 16<sup>th</sup>** Grade 3 students in Mrs. Richardson's class will be travelling to Rockwood Park as part of the PALS in the Park school program series. Students will participate in the Stonehammer *Fire & Ice* activity and Exploring the Microscopic World learning activity.

**March 16<sup>th</sup>** Grade 3 students in Mme Johnston's class and Mme Little's class will be travelling to Elmhurst Outdoors for a Maple Syrup Farm Tour. The tour will provide a "walk through time" and students will learn the history or sugar making. Travel to the present to see how it's done today. Experience the ultimate treat 'sugar-on-snow.' Elmhurst Outdoors is located at 65 Ganong Road in Erbs Cove near the Belleisle Bay and consent forms are required to participate.

**March 16<sup>th</sup>** ECMA Award Winners and JUNO Nominees *Donna & Andy* will be at Loch Lomond School to perform a musical concert that school audiences have enjoyed for over 20 years. Loch Lomond students will have the opportunity to sing along and participate in this interactive concert. You can learn more by visiting [www.donnaandandy.com](http://www.donnaandandy.com)

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns please don't hesitate to call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,  
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.  
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*
