Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of **May 28th – June 1st**.

Our Spring Fundraiser is underway and you can have a chance to win \$1000.00 first place prize, \$500 second place prize and \$250 third place prize. Raffle tickets are \$10 each and only 500 tickets are available for sale. Tickets can be purchased by visiting the school office, online using School Cash by visiting the homepage of our school website, or contacting your child's teacher. The draw date is the last day of school on Friday, June 22nd -- just in time for summer break.

Our *School Cash Online* is now live and running. Parents are able to sign up and register their account under their child's name, by visiting the link on the home page of our school website. To encourage you to sign up early, we will be having a draw on Friday, June 1st for five \$25 *Subway* gift cards, but hurry! You must be registered/signed-up before the end of the day, Thursday, May 31st.

May 28th the *Port of Saint John* representatives will be visiting LLS to hand out *Chapman's* gluten free, lactose free and peanut free popsicles to our students and share information about the upcoming *Port Community Day* to take place on Sunday, June 10th.

May 30th our *Loch Lomond Home & School Assoc.* will have popcorn on sale for students for \$1.00 – support your school all while having a healthy snack!

May 30th congrats to Mlle Maloney's class and Mme Maloney's class for their upcoming "author celebration." This "author celebration" will celebrate the published collection of written works and art authored by our Grade 1FI students along with parents and guests.

May 31st our Grade 3 students in Mrs. Richardson's class will travel to *Saint John City Hall* to participate in the City Hall Youth Governance Program. This program was designed to complement the Grade 3 social studies outcomes under unit 3 citizenship, individuals and societies and personal development and problem solving and participation (under processes). Students will learn about municipal government, elections, mayor and council roles, and have a mock election and debate an issue with various roles represented. Thank you to our PALS at the *City of Saint John* for making this possible.

June 1st is the last day for the school milk program for this school year. Thank you to our Home & School Association, who made this program possible and our student leaders who helped distribute milk to all classrooms on a daily basis.

June 1st our Grade 3FI students in Mme Little's class and Mlle Johnston's class will travel to the *Irving Nature Park* for a guided walk and hands-on experiential learning.

June 1st is our *School Cash Online* draw for five \$25 *Subway* gift card for signing up before the end of the day on Thursday, May 31st. Visit the landing page of our school website for the *School Cash Online* web link.

Looking ahead, on June 9th the employees of *Freedom 55 Financial*, a division of *London Life Insurance Company* located in Uptown Saint John are going to be holding a Family BBQ/Pony Ride Fundraiser to help raise money for an AED (Automated External Defibrillator) for *Loch Lomond School* through the *NB Heart and Stroke Foundation*. Tickets are \$30.00 for a family, which will include the BBQ and Pony Rides – there will be other games.
