Good Afternoon,

This is Greg Norton, Principal of *Loch Lomond School*, here with a few announcements regarding upcoming events at your school for the week of May 29th – June 2nd.

We wish our NB Soap Box Derby driver and pit crew the very best of luck tomorrow. The racing derby opening ceremonies happen at 9:45 a.m. with the checkered flag waving at 10:00 a.m. Come out and support our team tomorrow, Saturday, May 27th at Princess Elizabeth School as they represent Lion pride.

Recently, many students have brought a << fidget spinner >> to school. This toy is sold under the pretext that it helps people focus and concentrate. Here are the issues with this toy: (1.) it makes noise; (2.) it attracts attention; (3.) most students require two hands to make it spin; (4.) it distracts the user and others; (5.) in some cases the toy becomes lost or damaged resulting in increased distraction. Therefore, a reminder that students are encouraged to leave toys such as fidget spinner's at home or stored securely in their book-bags.

Please be reminded that students are encouraged to return library books to their homeroom teacher. The library collection is continually evolving to keep the selection as current as possible. You can help our school library stay current and fully catalogued by ensuring books are returned on time and in good condition.

A reminder that there is no hot lunch for the month of June. Thank you to our Home and School volunteers and school administrative assistant for making the hot lunch program available throughout the school year. We appreciate the support of our school community in making the hot lunch program possible and look forward to working with you to provide this lunch service in the 2017-2018 school year.

Jump Rope for Heart fundraising donations are to be returned to Mr. Cormier, Physical Education Teacher by no later than Monday, May 29th. Thank you to our students and families who helped support this healthy fundraising initiative.

Loch Lomond School is helping spread the word of a cereal drive on behalf of one of our Grade 5 students. Healthy cereal donations will be accepted next week, in support of one of our student's effort to raise breakfast cereal for the Union St. Food Bank. To help support the positive citizenship of one of our student's, cereal donation can be dropped off in the main lobby entrance of Loch Lomond School
