10 Nov. 2017

Good Afternoon,

This is Greg Norton calling from Loch Lomond School, with a few announcements regarding upcoming events at your school for the week of November 13th – November 17th.

On behalf of Loch Lomond School, I thank all veterans across Canada for everything they have done for this country. Their legacy to us is a strong, free Canada, including the warm and welcoming NB communities we call home. Please take time to attend a Remembrance Day service in your community, to pause and pay tribute to our servicemen and women who have helped build the Canada we know and love.

November 13th is a holiday respecting Remembrance Day and there will be no school this day.

November 15th under the leadership of Ms. Beaudet in our Guidance Department, all students K-5 will have an opportunity to visit our Career Expo. Students will be exposed to careers in protective services, technical trades, health care, and many others. This will be a special event where students will be able to interact with career professionals from a variety of job sectors.

November 16th Loch Lomond School celebrates National Child Day. National Child Day has been celebrated across Canada since 1993 to commemorate the United Nations' adoption of two documents centered on children's rights: the [United Nations Declaration of the Rights of the Child](#) on November 20, 1959, and the [United Nations Convention on the Rights of the Child](#) on November 20, 1989. By ratifying the United Nations Convention on the Rights of the Child in 1991, Canada made a commitment to ensure that all children are treated with dignity and respect. This commitment includes the opportunity for children to have a voice, be protected from harm and be provided with their basic needs and every opportunity to reach their full potential. Celebrating National Child Day is about celebrating children as active participants in their own lives and in communities, as active citizens who can and should meaningfully contribute to decision-making.

November 17th is "Career Dress-Up/When I Grow Up..." at Loch Lomond School. As part of our career week focus, all students and staff are invited to have fun and "dress-up" for a possible future career!

For a complete list of the week's activities and future events, please refer to the Loch Lomond School webpage or follow us on Twitter @LochLomondNB. If you have any questions or concerns please don't hesitate to call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit.

Yours in Education,

Greg Norton,
Principal

*Loch Lomond School, fostering scholarship, leadership and responsible citizenship.
École Loch Lomond, développe les connaissances, le leadership et des citoyens responsables.*

Principal: Greg Norton

Vice Principal: Cheryl Aylward
