4 November 2016

Good Afternoon,

This is Greg Norton, Principal (Acting) of Loch Lomond School, here with a few announcements regarding upcoming events at your school for the week of Nov. 7th – 11th.

A reminder that all visitors, parents, volunteers, and school district personnel are required to report to the office and sign-in upon entering the building. Maintaining a safe and secure school requires us to know who is in the building in case of emergency. Thank you in advance for your cooperation!

Tuesday, Nov. 8th Best Buy Canada will be in the Lion's Den to present a cheque for \$9,998.00 during a school-wide celebration assembly. This investment will help focus on empowering our students with technology. Loch Lomond is proud to move forward with the latest in new and innovative technology to help keep our learners motivated and engaged as they learn and grow.

On Wednesday, Nov. 9th students who have submitted consent forms will receive their regular fluoride treatment.

Wednesday, Nov. 9th is the Speed Stacking Jamboree at the Millidgeville North School Cafeteria. Sport Stacking is an amazing sport of fitness, agility, concentration and quickness. Thousands of teachers, administrators, and parents along with millions of kids have experienced the benefits of Sport Stacking and Loch Lomond is part of the movement! For more details please contact Mr. Cormier or Ms. Aylward.

Thursday, November 10th Loch Lomond School will participate in a school wide Remembrance Day assembly. Remembrance Day is an important day in the Canadian calendar and is an opportunity to give meaning to past sacrifice and acknowledge the courage of those presently serving. As a school community we will stand together to pay our respects for those that have paid the ultimate sacrifice and those who defend our freedom and security today.

Friday, November, 11th is Remembrance Day and there is no classes. Loch Lomond School encourages our entire school community to attend a Remembrance Day ceremony. These solemn and poignant observances remind us of the service and sacrifice of the men and women who protect our freedoms, and provide an opportunity to give thanks and honor the fallen.

For a complete list of the week's activities & future events please refer to the Loch Lomond School website or follow us on Twitter @LochLomondNB. If you have any questions or concerns regarding the before mentioned announcements please call the school office @ 658-5350. We always welcome your feedback on how to make our school a better place to learn and visit!

Yours in Education,
Greg Norton
Principal
(Acting)
