Presentation of Language Arts Assessment – Keith Belyea:

Mr. Belyea distributed an Abalyses of Grade 7 Language Arts class 2012 – 2013 to assist the PSSC with a clear understanding of the scores and break down.

Strategies: Each student is tracked with their own individual curricular folder and each student has personalized learning plans.

Thanks given to Keith for presentation and kudos for how he build relationship and provides structure and routine in the class and for the great job he has done with the curriculum!

School improvement plan is no longer in draft form. SIP leads to two contact areas: Literacy and numeracy priorities in terms of teaching and assessment. As well, having a safe positive learning and working environment plan and improving mental fitness.

Action: PSSC members to look at plan. Would like to have it out at end of January for website.

Calendar of events on website.

Some discussion regarding January 8, 2015 Community Meeting with DEC.
