SCHOOL SUSTAINABILITY REVIEWS and SCHEDULE OF PUBLIC CONSULTATIONS

The Anglophone South District Education Council (DEC) will host a series of Public Consultations as per Provincial Policy 409 Multi-Year School Infrastructure Planning to study the sustainability of five schools:

St. Patrick's School, Seawood School, Havelock School, Lorne Middle School and Pennfield Elementary School.

Under policy 409, the DEC will be holding two public information sessions at each school subject to the review. We will be holding initial meetings at each of the five schools to deliver the proposal to the public. The initial meetings are to allow the DEC and staff to explain the process involved in a Policy 409 review, present the proposal and be available to answer questions about the process.

A second meeting at each school will be scheduled at a later date to allow the public an opportunity to ask questions about the proposal, voice their concerns and provide feedback to the review.

The first series of meetings are scheduled as follows:

Wednesday, Nov 5	St. Patrick's School (at Havelock School)	7pm
Monday, Nov 10	Seawood School	7pm
Monday, Nov 17	Havelock School	7pm
Tuesday, Nov 18	Lorne Middle School	7pm
Monday, Nov 24	Pennfield Elementary School	7pm

Everyone is welcome to attend, and encouraged to do so. Throughout this process, written feedback can be submitted via email to: asds.schoolreview@gnb.ca or you may send a letter to the attention of Robert Fowler, Chair, District Education Council, 490 Woodward Avenue, Saint John, NB E2K 5N3.
