Principal, Mr. MARK CROWLEY
Vice Principal, Mrs. Tanya McGrath

Administrative Assistant, Michelle McCaughan

April 20, 2020

Good Monday Morning Teed Families,

We hope that this week finds everyone well. As we begin our week with some rain and a few snow flurries, there seems to be some bright light in terms of a little lessening of the COVID-19 restrictions by the Province of NB. It is a good sign that perhaps things are getting better due to everyone's collective efforts. Teacher will be sending out our third week of e-learning/weekly learning this morning. We hope that you are adapting to this new method of delivery, as we are.

Just a reminder that the weekly learning lessons are designed to be a chance to review materials, at your pace at home, given your home schedules. Please adapt things to suit your family's needs and time tables. Please as well use the added resources that you can find on the webpage, teacher link pages and attachments. We have posted the weekly PE, Music and Guidance information on our webpage.

Teachers will continue our weekly check-in on Wednesday of this week with families. This is an opportunity for connections between home and school to gauge how things are going inside our Teed School Community. The District in conjunction with the Department is attempting to come up with a plan to permit families to enter the schools to gather up student items. We are not sure when this will occur but is and has been a topic of conversation during our District administrative meetings the last few weeks. Once we have more information, we will pass this along to you.

Once again, thank you all for your ongoing support during this situation. We hope everyone stays healthy and safe. Please keep in contact with us, if you need anything, we are only an email away. Have a great week.

Mark Crowley
