Breakfast Program is expected to start later in the month, keep an eye out for info on the date. The program will run from 8:00 until about 8:25 each morning.

CORN BOIL!!!!PSSC Elections & Meet-The-Teacher Night Corn Boil is scheduled for Thursday September 4th from 4:00-5:30pm. Parents and children are invited to come and enjoy some corn and meet their teachers!.

Teaching and Learning Time- **ALL parents and visitors are required to report to the office upon entering the school.** We ask parents to work in partnership with the school to protect and preserve Teaching and Learning Time and maintain a safe learning environment for our children so that they will have the best possible opportunity for success.

LUNCH- Forms will be sent home with children who have the opportunity to go to The Boys' and Girls' Club for lunch. The Club will begin serving lunch later in the month of September, we will send along the date once the Club has decided on their start up day. Until that time, all students may bring a lunch from home and stay at school for lunch- no peanut butter please as we have children with allergies. Please send a note if you'd like your child to go home for lunch. We ask that students either remain at school or go home each day; it is very confusing when children change every few days or weeks from going home to remaining at school. Students who are invited go to the Club for lunch will be expected to be on their best behavior at all times. Students who have difficulty will have to make other arrangements for lunch.

NUT AND SCENT FREE- We have several serious allergies in the building and as a result must be scent and nut free. Peanut butter substitutes, like WOW butter also not be included in children's lunches and snacks since the resemblance to peanut butter might cause anxiety and confusion. We also are asking that parents not send any food into the school to share with the class- cupcakes, birthday cakes, treats etc cause safety issues in the classrooms and in order to be inclusive we do not wish to serve things that not all our children can eat. Special pencils, erasers, stickers etc can be sent in on special occasions to share with everyone safely.

MONARCHS AFTER HOURS- Look for info about After School Activities which will begin later in the month of September.

Trips/ Activities- We sometimes have children who forget to bring in permission slips for activities or trips. We are sure you understand that this causes MEGA confusion on trip/event days. We will not be able to accept any permission slips after 8:30 am on the day of the trip/ sporting event, and will not be able to make phone calls looking for permission slips. Verbal permission is not acceptable; a parent's signature is required. Thanks for your help with this concern.
