It is the practice in many schools to buy supplies for children and charge parents anywhere from 20-45 dollars. We will purchase your child's school supplies for a fee of \$20. By buying in bulk we are able to get a better price from our educational suppliers than individuals can buying on their own, as well as ensuring that all the children have the same equipment. If you would like to pay the \$20 fee in installments we certainly are able to do that. You may simply come to the office and Mrs. Carrier, our secretary, will collect your payment and issue you a receipt. If your child transfers during the year they will take the supplies with them. Parents are asked to buy crayons and pencils to be kept at home for children to use to complete homework, and a bookbag. Please send a pair of Velcro sneakers to be kept at school. It is also important that your child's outdoor footwear are Velcro.

Thanks!
