WHAT'S GOING ON?

There is always something happening in the hive. We never seem to give ourselves enough credit, and with that in mind, this section of our newsletter will highlight those people who make Simonds better!

Simonds High School *Home of the Seabees*

Simonds Memorial Grove

In the Simonds High School Memorial Grove, donated trees are planted in memory of a student, teacher, group, friend or family member or to celebrate a certain grad class. Our Memorial Grove has been growing; it is located outside the gym and continuing down the school driveway by the playing field. Alumni have donated the Princeton Golden Yellow maple trees. In June 2018, five new trees were added to the grove. Pictures of a couple of the donors were shown in our June issue. Two more are shown here. Chris Bartlett, who assisted in planting the trees in June, is standing beside the tree his Class of 1977 donated in memory of those who have passed. The local dragon boat group, Breasts Ahoy, graciously donated a tree celebrating life; some of their members are shown beside it. In fact, as October is Breast Cancer Awareness month, their tree was decorated with pink ribbons for this month! Many members have connections with East Saint John and Simonds High School.

As the grove matures, it is hoped to add some benches between the trees. Gold is one of our school colours; these beautiful golden trees glisten when the sun shines upon them. They can be seen not only from Hickey Road, but also from Loch Lomond Road. The trees have certainly enhanced the school grounds! We invite individual alumni or classes who are planning future reunions to consider placing a memorial tree in the grove. What a beautiful way in which to remember a classmate/friend/family member! To commemorate each tree, a plaque with name plates honors those remembered. In addition, a picture and short bio will be placed in our Wall of Remembrance along with the plaque. The display case for this remembrance is in the lobby across from the school theatre and on the way to the gymnasium. The current approximate cost of a tree is \$180. Thank you to all who donated trees in memory of friends and family. Please message Judy Chapman (judychapman44@gmail.com) or any member of the SHS Alumni Committee (on page 1) if you would like to make a donation and be a part of this worthwhile initiative to give back to your school.

Old Yearbooks!

Still searching for that memorable gift for a friend, relative, or even yourself? The Simonds Alumni Committee has yearbooks from most years up to and including 2014 (only a few years are sold out). What a special gift that would make! Where else can you get such a unique gift for \$35 (no tax)? Also, if you have any yearbooks with which you are willing to part and donate to the alumni, we would be happy to accept your gift. For more information, or to see if your year is still available, please contact Judy Chapman at judychapman44@gmail.com.

Simonds High Scholarship Fund

The Simonds High Scholarship Fund has been in existence for many years. Money from that fund has been used to recognize numerous excellent Simonds graduates and offer them some funds toward their post-secondary education - whether it be a university, community college or another educational institution. Any assistance is appreciated by the students. As a student at Simonds, you may have even been a recipient of this funding. The Simonds Alumni Committee donates money each year to use for scholarships from this fund. Many people donate to the SHS Scholarship fund in memory of a loved one who has passed away; what a great way to "pay-it-forward"! If you wish to donate to this fund and "give back" to your school, you may send your donation to The Simonds High School Scholarship Fund, 1490 Hickey Rd., Saint John, NB., E2J 4E7. An income tax receipt will be issued for your donation. Thank you in advance for your support of your school!

Breakfast Club

Open Daily

Simonds Breakfast Club

The Breakfast Club at Simonds is now in its 3rd year of existence and is continuing to be well-attended. Approximately 45 - 50 students arrive at the breakfast room each day to get some breakfast food. It is supervised by teachers for 30 minutes before school. Much of the format is self-service "grab and go", although there are tables where some students linger a while to chat. Breakfast options vary, but usually toast, bagels, hot and cold cereal, yogurt, cheese, breakfast bars, fruit and healthy muffins are provided.

The school was fortunate again this fall to obtain a grant which will assist with some of the costs. Generous donations of food have been made by the Simonds Retired Teachers' group. In addition, a sincere thank you goes out to "the muffin lady". Ann Sanders, a retired 1975 Simonds grad, has baked and delivered a variety of healthy muffins to the school for the students. A couple of weeks ago, some members of the Simonds alumni and friends cooked a hot breakfast for 75-80 students. This bi-annual activity is the fourth hot breakfast sponsored by the SHS alumni. The Breakfast Club is certainly a worthwhile endeavor. Students cannot learn if they are hungry. We invite other community and individual partners to join us in our efforts to sustain this necessary program.

Are you just reading our Simonds Alumni newsletter for the first time? Or, perhaps you have missed a few of our past issues? Our SHS Alumni newsletter was started in 2012; since then, we have produced 3 - 4 issues each year. If you are seeking past issues...perhaps you want to see pics of people who attended reunions or to get caught up on the news of your Simonds classmates, you will find them posted on the Simonds High School

website: <http://web1.nbed.nb.ca/sites/district8/schools/sh/Pages/default.aspx>. Click on the tab for **Alumni** and enjoy! NOTE: Where possible, several issues have been posted on our Simonds Alumni face book page as well.

School Supplies Drive 2018

In August, Jill (Vincent) Eckstone (1986) active alumni member and department head at Simonds initiated a drive for school supplies for students at Simonds who could not afford them. Initially started as a project with her family, she expanded the call out to all alumni on our face book page. The response was overwhelming! Many people donated supplies; others donated money with which to purchase supplies. Assistance came from our local community and from grads far away. Pictures of the supplies are illustrated. A sincere thank you goes out to everyone who donated. The supplies are in use by students who need them.

Simonds High School Football Reunion 2018

According to many alumni, THE best day bar none this summer was on Saturday, July 14, 2018. On that day, there was a reunion of the Simonds football community. It was a glorious day and a HUGE success! Former players came from as far away as Alberta, Florida and Japan. Both touch and tackle games were played on that day. A BBQ was on site as well as a pass punt and kick competition for kids, a bouncy castle and face painting, tables with both football and Simonds alumni swag, etc. The day's activities were followed by a Post Game Party Bash at Amici in Quispamsis.

88 guys donned pads again to play the full tackle game...and they meant business - playing just like they did in their prime. Fans were amazed at the level of contact that existed! A lot of guys traveled a long way to play this game. The Mahoney brothers and Chris Anstey came from out west and Chris Frye came from Florida. Ryan Timms traveled from Japan! Many came out to play one last time!

The games spanned a couple of generations. The teams were the Golden Bears and the Green Bees. Quarterback, Steve Mahoney (1973) played hard for the Golden Bears while John McCluskey (1975) was a full game linebacker for the Green Bees team. These players, and others, stood up well to alumni football players from 2017! There were so many familiar Simonds players - Steve Savoie, Clifton Richards, Mike & Jeff Thomas, John Kane, Phil Reid, Darcy Barker; the list is endless! The tackle game ended in a 0-0 tie - even in overtime!

In the touch game, 30 guys played. The score was a 12-6 win for the Gold team. It was a great game to watch and featured many Seabee greats like linebacker Kevin Clifford and receiver Steve Ryan who caught the Simonds Seabees first ever pass way back in 1972! QB Darren Steeves showed he still has it and was firing bombs all afternoon! In all, 15 sets of players were either father and son or brothers who had the rare opportunity to play together.

The sideline atmosphere was unbelievable! Hundreds of people attended! Former players and spectators could really feel how special it was to be a member of this close football community. Troy Richard was fantastic on the mic. The thrill of the day was the presence of and chance to honour Mike and Judy Upward! This couple dedicated years in the 1980s, 1990s and into the 2000s to making the Simonds football program and community what it is today. They were in the VIP tent at the 50-yard line and had tons of visitors and well-wishers.

The purpose of the day was to have football players and spectators reconnect and that mission was certainly accomplished! Most of the funds raised were used to cover the expenses of the day. There was also a silent auction of the alumni-signed green and gold helmets. Any additional funds went toward the purchase of new helmets for the current Simonds team. On July 14th, there was a lot of reminiscing and renewing of friendships. Old memories were relived and new ones made. It was a heartwarming day for the Simonds football community, for the Simonds alumni and for East Saint John in general. A sincere thank you goes out to Mike Vincent, Troy Richard and the entire committee who organized this memorable and fun event! Simonds pride is alive and well in its football community!

The Simonds High Alumni is an active group of individuals who have a vested interest in seeing Simonds Pride Continue! Our mission is to maintain a positive relationship with the school we all loved so much. Our endeavors have ranged from a hot breakfast program, to a Memorial Grove for our long lost loved ones, to school beautification, our annual Christmas Sale and Celebration, to so much more. We are constantly looking for ways to bring about a positive, respectful and fulfilling image of Simonds High School simply because we believe in our school.

Our sincere thank you to each and every one of you who continue to show your support, whether by attending our events, offering donations of money and time or even following our adventures on Facebook. For those who have wondered or wanted to become involved, either as an executive member or with one or two of our events, just send us a message. We would love to have you on board. Do you have an idea or suggestion about something we can or should be doing? Let us know. We truly want to hear from you!

High School is one of the best times of our life. It is where we met our life-long friends, celebrated our triumphs and for some met our significant others! All of those memories and more are the reasons why we have such a dedicated group. Stay tuned as we have some fantastic events coming up and we look forward to sharing those experiences with you!

Sincerely,

Jill E. (Vincent) Eckstone (1986)
