The world leader in international education

One mission. 15 million students.

- Established in 1965
- Worldwide presence with over 400 schools and offices in more than 50 countries
- Experiential learning opportunities for students and educators of all ages, including:
 - Educational Tours
 - High School Cultural Exchange programs
 - Language Schools
 - Hult International Business School

Our Mission:

To inspire and educate the next generation of global citizens by breaking down barriers of language, culture and geography.

A tour guide, a woman with short brown hair wearing a patterned top and a name tag, stands on a balcony overlooking the Colosseum in Rome. She is holding up a brochure and pointing to it with her right hand. In front of her, several tourists are looking at the brochure. One woman has long blonde hair and is wearing a green top. Another woman has short curly brown hair and is wearing a red top with a blue backpack. The background shows the massive, tiered stone structure of the Colosseum under a clear sky.
