The student fee without a parking pass is \$40. The parking pass permits students to park in the designated parking area and must be displayed. The student fee including the parking pass is \$45.

Grade 12 Student Fee

The Grade 12 Student Fee is a charge for each Grade 12 student and includes the use of a school issued lock (no personal locks allowed), picture I.D. card for school events, supporting SRC events, and school wide initiatives. It also covers grad cap and gown, diploma cover, and class composite photo. It is important to have your grad fee paid early to ensure a gown is ordered specifically for your size as the gowns are ordered in the fall. Although we do order extra gowns in most sizes, we cannot guarantee a true fit without payment. The Grade 12 student fee without a parking pass is \$90. The parking pass permits students to park in the designated parking area and must be displayed. The Grade 12 student fee including the parking pass is \$95.
