Important Dates

The improvements to our campus continue as we are protecting our student parking space during non instructional times- specifically nights and weekends. A new gate has been installed and will be managed by our facilities and custodial team at Simonds High School. The intention is to reduce the noise and disruption in the community with unwanted traffic late at night.

With the change in temperatures and weather we look forward to our annual clean up and beautification to our campus. If you are aware of anything you see that you feel needs attention or if you have suggestions please let us know!

Lastly, any support you can give to our raffle fundraiser is appreciated- sharing it in your social circle, on social media or buying the tickets yourself! Don't forget every 5 tickets sold the students name goes in a draw for \$100! Thank you in advance for your continued support,
