### From Mrs. Carhart

Our week has been another wonderful one recognizing and focusing on the academic accomplishments of 384 of our 1005 students. This represents 35% of our student population—congratulations! Maintaining these averages takes dedication and commitment and is a testament to the student body and the community that supports them both inside and outside our school.

Looking at our grad class for this year we are excited to spend tonight at Grad Overnighter—an annual event for our grade 12 students that is put on by our Grad Committee. It's a night of bonding, memories and lots of fun at the school!

For those who are making plans for graduation season, please save these dates:

- June 4th Grad Class Spaghetti Supper**
- June 18th Prom starting at 7pm**
- June 20th Graduation (rain date June 21st)**

Thank you for your continued support of our school, community and growth. Together we are strong!

Mrs. Carhart
